Turkey Dinner Followed By Program In L.O.L. Hall — District Well Represented

Close to one hundred and fifty members of the Independent Order of Oddfellows gathered at Springbrook L.O.L. Hall on Tuesday night to honour Bro. T. R. McFadden, of Durham, Ont., Grand Master of the Grand Lodge, I.O.O.F., on the occasion of his official visit to Madoc District No. 45. Every lodge in the district was represented with visitors also being present from Peterborough, Trenton and other points.

Turkey Dinner

A most delicious turkey dinner was served in the basement of the hall by the ladies of Springbrook W.A., after which Bro. Geo. E. Thompson, District Deputy Grand Master of Madoc District, acted as master of ceremonies for the customary toast list.

Rev. H. E. Beare extended a welcome to the Grand Master and his good wife and spoke of the honour enjoyed by Springbrook in having in its midst the District Deputy Grand Master.

The toast to Grand Lodge was proposed by Bro. Wm. Woods, of Tweed, P.D.D.G.M., with Grand Master McFadden making a brief response. He particularly emphasized that Grand Lodge was made up of the representatives from the subordinate lodges and that every lodge and every member was most important to its overall success.

Bro. Percy Sherwin, P.D.D.G.M., of Campbellford, in proposing a toast to the ladies, pointed out the important part they played in the work of the I.O.O.F., and congratulated the ladies of Springbrook W.A. for the splendid meal served. The response was given by Mrs. Frank Cosbey, President of the W.A., who stated it was a privilege and an honour to cater to the banquet. The gathering then adjourned to the upper hall for the remainder of the programme. D. Wannamaker, Madoc, gave several piano selections, following which Frank Cosbey led in community singing with Miss Barbara Meiklejohn at the piano.

Phil Beaudrie, Noble Grand of Springbrook Lodge, extended a welcome to all, after which Bro. Mossam, of Trenton, and Bro. Harris, of Peterborough, brought greetings from their districts.

Misses Barbara and Mary Meiklejohn rendered a duet accompanied by Mrs. John McKeown on the piano, followed by selections by Phil Beaudrie, violin, and Carl Barton, piano.

Presentation of Shield
The presentation of the Dr. S. R. Beatty Shield, which goes to the lodge having the largest number of candidates in the year, was made by Bro. Ted Naylor, P.D.D.G.M. of Madoc, to Bro. Ralph Wellman, P.N.G., of Springbrook Lodge.

Mrs. Walter Warren rendered the solo, "Where'er You Walk," by Handel, accompanied by Mrs. Ralph Wellman.

Address By Grand Master

"The building and advancement of the Independent Order of Oddfellows is not your job alone nor mine," stated Grand Master McFadden, "but the concerted efforts of all are needed to gain success. It's the team work that counts."

Continuing he enumerated a number of objectives laid down by the Sovereign Grand Master for the current year.

(1) An emblem on every Oddfellow. He called on Oddfellows and Rebekahs to wear their emblems, to show that they were proud to belong to the organization and that the organization in turn might be proud of them.

(2) Every Oddfellow at lodge at least twice in a term. "It's our duty to see that each and every member is present at our lodge meetings as often as possible," stated the speaker. Lodge officers should endeavour to have interesting meetings when the members who only attend occasionally are present. In this way you may show them that you are active and stimulate interest, thus overcoming lack of at-

tendance.

(3) A particular job for every member and more committees with clearly defined duties. Planned programs should be arranged and bulletins sent to every member.

(4) Every lodge to keep the name of the Order to the front. To accomplish this each lodge should have a community project or assist some other organization in promoting such a project.

(5) Inter-lodge visitations. As a means of promoting and stimulating interest.

(6) Public appearances should be to the credit of the Order. Parades should be well arranged and poor attendance at funerals and divine worship should be overcome.

(7) A ten per cent increase in membership. Every lodge should determine a quota in keeping with the possible and acceptable members in the district.

In closing he urged his listeners never to lose sight of the high ideals and objectives on which Oddfellowship is based. "While an increased membership is one of our objectives never lose sight of quality in securing members," stated the Grand Master.

"Their Name Liveth Evermore"

Mount Pleasant United Church 31st Anniversary Held Last Sunday

(By Florence MacMullen)

On Sunday, November 2nd, 1952, ideal weather prevailed and early that morning a large number of worshippers assembled at Mt. Pleasant United Church on the Rawdon Circuit for their eighty-first anniversary. All the nearby points were represented and many former members "came home" for this special occasion. The church was filled to capacity at the morning service with several rows of extra chairs. In the evening attendance was somewhat smaller, however it was necessary to use about fifty chairs from the church hall to accommodate the friends who had gathered.

Rev. R. W. L. Middleton, of Bayside, (who was chairman of Kingston Presbytery last year) was the special guest minister and he conducted both services in his original style interspersed with dry humour. At both services he gave special messages for the children and all sang "Jesus Loves The Little Children," and "Children of Jerusalem."

At the morning service Rev. Middleton spoke on "The Courage of Jeremiah," and gave a challenging message to parents to give their children the proper upbringing so that they would become good citizens when they reached the age of maturity. He gave several illustrations to show how Jeremiah courageously set about to right the world's wrongs and clear up the wickedness that was in that land. The speaker felt that "an altar in the home" was more important than other trivialities.

Special Prayer

Mrs. Kenneth Weaver presided at the piano and the choir of seventeen voices sang, "Living For Jesus." The guest trio, Mr. and Mrs. Harry Brown and daughter Verna, of Carmel, with Miss Betty McConnell as accompanist, delighted with, "The Shepherds Psalm." The service opened with a Glory Hymn by Horatius Bonar. Whittier's "Immortal Love," and Psalter's "The Lord's My Shepherd,"

were sung during the service. 'Mums were used as decoration for the church.

Evening Service

The evening service opened with, "Day Is Dying In The West." That old favourite, "How Firm A Foundation," was the hymn previous to the message and the service closed on the theme of "O Choose Me In My Golden Time." Miss Betty McConnell presided at the piano for this service.

The Campbellford Ladies' Quartet, Mrs. Geraldine DeCarroll, Mrs. Wallace, Miss Muriel Heagle and Miss Smith, with Mrs. Allan Watson as accompanist, rendered two selections, one of which was "I Am Listening," and this number was a splendid climax to the anniversary services.

Rev. Middleton gave several graphic illustrations of God's call to Moses, Isaiah, Saul and Larius and others in Bible times whom God wished to carry on His specified duties. The speaker pointed out that when opportunity knocks and God is calling, each individual should be ready and willing to lay aside their own chosen plans and follow God into new fields of labour that are waiting. He also emphasized the fact that in most cases if individuals do not follow God's call and obey them that particular piece of work is never accomplished.

The finances for the day were very gratifying to the Board. The Pastor, Rev. R. R. Bonsteel, was in charge of the services on the Bayside Circuit.

Bill McAdam Hurt As Two Cars Crash Head On

One man was injured slightly and about \$600 damage was suffered by two cars early Sunday morning when they collided head-on on a township road about six miles southeast of Campbellford.

"MR. SHOWBUSINESS"

The dapper, 63-year-old Torontonian, Jack Arthur, backed by 50 years experience in the entertainment field, tells his life story as Mr. Showbusiness, every Tuesday night at 8.30 on the CBC Trans-Canada network. The show traces Arthur's career from the time he wore knee-breeches on the Glasgow stage to his showtime years in Canada and the United States, with lively music by Howard Cable's orchestra and chorus to spark his reminiscences. The gay days of vaudeville, burlesque and the old showboat are relived each Tuesday night by Canada's Mr. Showbusiness, Jack Arthur.

driven by Maurice Smith, 27, of R.R. 5, Campbellford. He received head cuts requiring several stitches to close.

Smith was travelling west on the narrow township road and had just come over the top of a hill when he saw the headlights of an approaching car. He applied the brakes but the new model car skidded on the gravel roadway and slid into the front of the other vehicle. The second car was driven by Lorne Anderson, 41, of R.R. 5, Peterborough. He was uninjured.

Hastings Deanery Laymen's Assoc. Holds Banquet Elects Officers

The ninth annual banquet of Hastings Deanery Laymen's Association, held in St. Mark's Parish Hall, Bonarlaw, on Thursday occasioned an overflowing gathering, numbering approximately 220 men, and was marked with excellent addresses and well-proposed toasts and responses.

Major Attraction

Doubtless, the major attraction was the attendance of Right Rev. K. C. Evans, D.D., Lord Bishop of Ontario, who was making the acquaintance of the association and laymen of parishes he has not as yet visited in his brief office of Bishop, for the first time.

An excellent repast was served by ladies of St. Mark's W.A. Bonarlaw, augmented by a few ladies from St. Paul's, Marmora.

Despite the attendance exceeding expectations, a service was given which drew forth commendation from several speakers. The toastmaster was William J. Barlow, of Bonarlaw, retiring president. Subsequent to the submitting of the Royal toast, he extended a warm welcome to the gathering.

With Fred Houchin, of Stirling, at the piano, community singing was led by Canon J. M. Brownlie.

Mrs. Roy Frost, Marmora, to her own accompaniment, sang, "A Spirit Flower" and "The Little Brown Owl," to receive good applause.

On behalf of the parish, Canon Brownlie followed with his welcome. Officers Elected

Election of officers ensued with the following constituting the new executive: President, Graham Mouck, Tweed; vice-president, Henry Doohar, of Madoc; secretary-treasurer, Carl Whittemore, Deloro; delegates to Diocesan, Earl Morrow, Stirling; Laymen's Council, Ted Harlow, Madoc. The latter two gave reports of attendance to the Diocesan Council prior to their reelection. The attendance figures were then taken, showing representation of all clergy of the Deanery and laymen present from each parish.

Outlook of Optimism

The Lord Bishop of the diocese having been fittingly introduced by Canon Brownlie, intimated he was not going to give the address he had planned. Instead, he felt it would be more appropriate to make observations on matters introduced in the meeting thus far. He felt there was an outlook of optimism regarding the diocese.

He hoped to see an upsurge of Anglican laity. There is the challenge to the men of today to do what their fathers had done for the church. He felt indebted to the laity and the diocese as a whole for the provision of the new See House, which a fellow bishop had said was the best See

House in Canada.

Bishop Evans hoped that at next year's Synod many would avail themselves of the opportunity to inspect it. He continued with a word picture of the Anglican Church to be held in Minneapolis next year. Its significance was seen in the fact that gathered together would be men of 452 different languages. From the diocese of Ontario will be sent its Bishop, one clergyman and one layman.

Quarterly News Letter

In conclusion, the Bishop made known his proposal to start a quarterly news letter, designed to be informative and using fallen timbers at the destruction of Coventry Cathedral as a symbol, expressed the desire that hitherto passive supporters might be transformed into active supporters of the Cross of Christ.

Dr. A. E. Carleton, of Stirling, proposed the toast "Church and Clergy," with Rev. L. E. Hawkes, of Tweed, responding.

Rural Dean A. S. McConnell, Trenton, then introduced Rev. T. R. Harris, Field Secretary of the G.B.R.E., who in a short address, spoke on "Christian Education." "Education never ends. We learn continuously," he declared in launching his subject. He solicited the support of laymen to the educational work of the church.

"The Laymen's Association," was then submitted by Rev. T. H. Good, of Madoc, and R. E. Bonter, of Marmora, responded.

A minute's silence followed in memory of the late Jack Baker, of Bonarlaw, who in his lifetime, was a faithful and active officer of the Association.

The meeting closed with the toast to "The Ladies," proposed by Graham Mouck, and replied to by Mrs. Everett Heath, president of St. Mark's W.A.

In Hymen's Bonds

LOUCKS — BENNETT

A pretty fall wedding was solemnized on Wednesday, October 29th, at the home of Mr. and Mrs. Charles Bennett, Frankford, when their only daughter, Joan Irene, became the bride of Wallace John Loucks, older son of Mr. and Mrs. W. E. Loucks, also of Frankford.

Rev. Roy MacEachern, pastor of the Frankford United Church conducted the double ring ceremony at four o'clock, underneath an arch of evergreens and wedding bells.

The bride, given in marriage by her father, was lovely in a white brocaded satin, ballerina-length gown, with tightly-fitted bodice, face-framing collar, long tight sleeves, ending in a point over the hands, matching head-dress with finger-tip veil which was caught to the hair with pearls and matching flowers. She carried red roses.

She was attended by Mrs. George McCord, of Port Burwell, who was gowned in plum-coloured taffeta with navy accessories, feathered head-dress and carried yellow roses.

The groom was attended by his cousin, Mr. George McCord, of Port Burwell.

The reception was held in the home. The bride's mother received in a gown of blue and silver crinkled taffeta with blue accessories and corsage of red roses.

The groom's mother wore green crepe with gold accessories and corsage of red roses.

Wedding music was played by Miss Dorothy Grant, of Belleville.

The bride's table was centred with a three tier wedding cake and the reception rooms were tastefully decorated with streamers and autumn flowers.

Misses Valerie and Virginia Thomson and Maisie Rankin and Dorcen Osterhout, friends of the bride, served the delicious luncheon and toasts were proposed to the bride and her attendant by Rev. MacEachern and responded to by the groom and groomsmen. Brief responses were also made by the bride's father, the groom's father, and Mr. Arthur Duncan, of Batawa.

The bride's gift to the match of honor was a rhinestone brooch and earring set; to the pianist, rhinestone earrings and to the servers, birthstone earrings. The groom's gift to the best man was gold cufflinks and tie clasp.

For their wedding trip to the eastern States, the bride travelled in a rust velvet suit with black accessories, blue and grey checked wool top coat dress and carried yellow roses.

Out-of-town guests were present from Burlington, N.C.; Port Burwell, Ont., Madoc, Stirling and Trenton. On their return the happy couple will make their residence in Belleville.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

Appreciation

We read some weeks ago that Mr. Ernest Ward would shortly retire from business. We take this opportunity of saying without any reservation a sincere "thank you" to Mr. and Mrs. Ward. They have rendered a fine and necessary service with cheerfulness at moderate costs.

The "House of Ward" has been a part of Stirling for possibly a hundred years or more. These long suffering citizens have endured the perils and nuisance of flood waters for many years. What has not been done for them will most likely be done for their successors. Like Job of old, Mr. Ward has been a very patient man.

This couple have set an example for the oncoming generation. They have successfully served, notwithstanding physical handicaps. In their hospitable home surrounded by the garden they both love dearly and where thousands of blooms have come to perfection under kindly care we wish them a change from the discipline of business and an enjoyable eventide.

We desire to record the many instances in which Mrs. Ward has volunteered to supply seasonal flowers for the church. With a contagious laughter she has met and served the public.

While Councils delay we move ahead to declare Ernest Ward a Freeman of the historic village of Stirling.

Salvationists At Carmel

The special Mission Team of the Salvation Army which has been working in Belleville visited Carmel and conducted the service last Sunday. The generous loose offering was given to Capt. Merrywell for the work of the Army. These distinguished visitors signed the Guest Register before leaving.

Sympathy

The congregations of St. Paul's-Carmel extend sincere sympathy to the loved ones of the late Mrs. Wm. Hanna and the late Thos. McCaughen.

Mrs. Hanna was buried following a service in St. Andrew's Presbyterian Church last Friday. Mr. McCaughen was buried following the service at Wellman's United Church last Monday.

Co-Operation

The Minister and Officials of St. Paul's are grateful to Rev. W. H. V. Walker and the officials of St. Andrew's in graciously opening St. Andrew's Church for the funeral service of the late Mrs. Hanna; and to the Rev. R. R. Bonsteel and the officials of Wellman's United Church for the kindly use of their edifice for the funeral of the late Thomas McCaughen.

St. Paul's

Though discommoded somewhat by scaffolding a splendid service was held last Sunday in St. Paul's when Rev. Wm. Fletcher, of Wooler, was the visiting preacher. The special soloist was Mr. Wm. Aylsworth. In the Anthem, "Come Unto Me," Mrs. Wm. Wilkins interpreted the solo part. The Senior Choir sat in the front west area of the church. The piano was used. This arrangement is expected to continue during the renovation. Beautiful memorial flowers were kindly sent by the loved ones of the late Mrs. Hanna.

Regrets

Rev. E. W. Rowland, former Minister of St. Paul's expressed sincere regret at his inability to share in the funeral service last Friday. An urgent duty required his return to Peterborough on Friday morning.

Our Sick

Mrs. M. Woodbeck and Mrs. Thos. MacConnell are under care at the Belleville General Hospital.

Endowment

The will of the late Sarah Farr Davis, a very hard working widow provides for a gift of \$500 to the Endowment Fund of the Olde Davenport Road United Church, Toronto. A sister and nieces have also been suitably remembered, while a small new portable organ has been bequeathed to Mrs. Baker.

Special Prayer

Intercession is specially made for all who sorrow and for all under care in our homes and hospitals.

Ingratitude Or

Thoughtlessness?

Possibly no one person has given cheerfully more time to boys work in Stirling than Mr. John (Joe) Irish. In this he has enjoyed the invaluable assistance of Mrs. Irish.

Surely only thoughtlessness, not ingratitude, could have added to the duties of Mr. Irish by the smearing of almost every window in the school with soap. The great majority of those who benefit from the sacrificial services of our public leaders deplore such recognition. The few who are guilty of misconduct must not shadow the many who are thankful for the

time and interest taken in their boys.

God's Acre

The transformation that resulted from the "River Valley Bee" last Saturday, shows what can be done when a community responds to a challenge. As the work of beautifying this quiet "God's Acre" (where the pioneers of the Valley with some of their children rest, beside the "gently murmuring Rawdon") progresses, thousands of motorists will be inspired to restore other neglected cemeteries.

Thank You

Some kind friend or friends we are advised removed evidence of visiting Halloween pranksters at the Parsonage before the family returned from Toronto Saturday night. A gracious "thank you" is tendered for this thoughtful ministry.

November 11th

We support the call of the Stirling Branch of the Canadian Legion for a full participation by all citizens as we attend the Annual Memorial Service at our War Memorial next Tuesday.

Many memorial services will be held on the next two Sundays throughout the world. At St. Paul's the morning service will be related both to our war and civilian dead. At Carmel the congregational memorial service will be held in the afternoon.

The war memorial service will be held at Carmel Sunday evening, Nov. 16th at 7.30 p.m., when the beloved Padre Col. Sidney Lambert, O.B.E., will be the guest speaker. The Stirling Branch of the Canadian Legion will attend in a body. Many veterans are expected to attend this service. The war memorial will be unveiled and dedicated.

Poppies

All citizens are cordially invited to wear poppies not only at the community service November 11th, but at all war memorial services.

Half Mast

We noticed that the flag on the River Valley School was at half mast in tribute to the late Mrs. Hanna. This school is to be commended for this gracious tribute. It would seem fitting that school flags should be more gen-

erally used to express such tributes.

"Defining A Kiss" — From 7,000 entries the prize was awarded the following: An insipid and tasteless morsel, which becomes delicious and delectable in proportion as it is flavored by love. Other submissions included:

(2) What the chimney sweeper imprinted on the rosy lips of the scullery maid when she told him she favored his soot.

(2) The poorest mother's richest gift.

(3) A demonstration of love which will dry the baby's tears, thrill the maiden's heart and soothe the ruffled feelings of a tired wife.

Late Announcement

The Minister had given the number of the closing hymn when an usher hurried forward with a notice he had neglected to read. After reading the notice the minister proceeded to read the first line of the hymn which began "Lord What A Thoughtless Wretch Am I."

A Skin Game in socks.

Customer — "Give me a dozen shirts."

Shopkeeper — "Here you are sir, the best quality."

Customer — "How much?"

Shopkeeper — "\$1.50 each."

Customer — "All right, wrap them up. Now how much are these socks?"

Shopkeeper — "Fifty cents a pair."

Customer — "Well, I'll take three dozen pairs instead of the shirts."

The socks are done up and the customer starts for the door with the bundle.

Shopkeeper — "Hold on there, you haven't paid for those socks."

Customer — "Certainly not, I took them in exchange for the shirts."

Shopkeeper — "Yes, but you didn't pay for the shirts."

Customer — "Certainly not, because I didn't take them."

Shopkeeper — "That's a fact," and he spends the next half hour trying to make his cash balance.

Bride And Groom Given Shower

The home of Mr. and Mrs. John Heagle, Wellman's, was the scene of a happy gathering on Friday night, October 25th, when friends and neighbours tendered a miscellaneous shower to Mr. and Mrs. Wm. Coughlan in honour of their recent marriage.

Mr. Geo. Watson acted as chairman for a programme consisting of community singing; solo, by Miss Ruth Clancy; duet, by Miss Lucille Beckett and Mrs. Ken Tompkins; duet Misses Annie and Margaret Dracup; piano solo, Miss Muriel Morton and readings by Mrs. B. Morton, Mrs. Clifford Clancy and Mrs. Jack Dunham. A dainty lunch was served.

The address was read by Miss Doris Dunham and the bride and groom were the recipients of a large number of beautiful gifts. Mr. and Mrs. Coughlan expressed their thanks for the gifts and invited all to visit them at their new home in Belleville.

Following is the address:

Dear Mary and Bill:

We have gathered here this evening to tender our very best wishes to you Mary and congratulate you Bill on your choice of a life partner.

We will miss you Mary in our Church and community life where you have always been a willing helper, but hope you will come back to us from time to time and join in any of our activities. We were glad to see you with us in our Sunday School whenever you were home and hope you will continue to do so.

We could hope that as you establish your new home you will link yourself up with the church of your choice and continue to play an active part there.

As you journey through the years that lie ahead with its joys, sorrows, opportunities and responsibilities, may you never fear or falter if the way you find grows hard. God has promised he will strengthen, if his way you will regard.

So now we say in closing that for

you wish the best. May your days be filled with sunshine like the rose tinted west.

May your Bill be a husband that is always rated high. May you ever be his sweetheart and the apple of his eye.

Please accept these gifts in the spirit they were brought. May they fill your days with comfort as they brighten up your thoughts.

Signed on behalf of the community and friends, Ruth Clancy, Lucille Kosobucki and Doris Dunham.

Presentation By

Wide-Awake Class

On Tuesday, October 21st, Mr. and Mrs. Coughlan were guests of honour at the home of Mr. and Mrs. Clifford Clancy, when members of the Wide-Awake Class presented them with a walnut end table.

President Miss Marie Vanderburgh opened the programme with all singing, "The More We Get Together," followed in order by a piano solo by Miss Shirley Dunham; contest by Miss Lucille Kosobucki; piano solo by Miss Lucille Beckett; contests by Mrs. Jack Dunham and Miss Marie Vanderburgh.

The address was read by Mrs. Burton Morton and the presentation was made by Mr. Gerald Clancy.

Following is the address:

Dear Mary and Bill:

Once again the members of the Wide-Awake Sunday School Class have gathered to honour a young bride. These are occasions of mixed feelings.

We are glad to see you Mary, so happily wedded to the young man of your choice and we feel he is a very lucky man indeed.

But, we are sad, when we think of losing you, Mary, for you were one of our girls, of whom we were very proud. You went to the city to work, but when you were home you found your way to Sunday School and Church and we were glad to welcome you to the Class and the Choir, where your sweet voice was a delight to hear.

We hope you and Bill will continue to come to our services whenever you can. We appreciate all the help you have given to your home community Mary, and we hope this gift will often remind you of us. May God richly bless you.

Signed, President Marie Vanderburgh and Jim Pollock.

Second Hole-In-One

Joe Legault, of Belleville, scored the second hole-in-one of his lifetime Sunday when he ached the 242-yard, par-3 4th with a No. 4 wood at the Bay of Quinte Golf and Country Club. His first was at the old Belleville Golf Club 20 years ago.

Only Chevrolet delivers so much

Saves you money all along the line!

MORE TRUCK FOR YOUR MONEY!

Get the price on the Chevrolet truck that's the right size, type and capacity for your work. You'll find that Chevrolet gives you far more for your money — because it's engineered and built to unsurpassed standards of value.

ROCK BOTTOM OPERATING COSTS!

You can't beat Chevrolet's Valve-in-Head engines for over-all economy. They just keep rolling along. A choice of four time-tested high torque engines to match the load.

LOWER DEPRECIATION!

When the time comes to trade in your Chevrolet truck, here's good news: Year after year, used Chevrolet trucks traditionally bring more money, compared to what they cost, than other makes. That's because of Chevrolet's wide customer acceptance.

ENGINEERED ECONOMY!

Every Chevrolet truck gets the job done fast and sure — providing the widest selection of body styles as well as chassis for special bodies in wheel-bases from 110"-212".

A GENERAL MOTORS VALUE

Another reason why more people buy CHEVROLET TRUCKS than any other make!

When you buy a truck, whatever you're hauling, you buy it for one reason and one only — to make money. And, in the long run the truck that saves you the most is the truck that's going to make the most. And that, without frills or fancy talk, is one of the biggest basic reasons why more people buy and drive Chevrolet trucks than any other make.

Look at it any way you want. You save because Chevrolet's economical, dependable Valve-in-Head engines, famous for power and stamina, keep fuel consumption low. You save because Chevrolet's husky hypoid rear

axles, deep channel-type frames, Flexi-Mounted cabs, Recirculating Ball-Steering and other Advance-Design features keep maintenance costs down. And you keep on saving while you earn because these extra values are built in to stay in, to protect your truck investment.

But seeing is better than saying, so come in and look these versatile, money-making Chevrolet trucks over from top to bottom. Check the comparative values of Chevrolet trucks and prove to yourself that Chevrolet does save you money all along the line.

The following were the prize winners, Norma Petherick, Teddy Reid, Carol Heath and Marilyn Stewart. A dainty lunch of fruit bread, cookies, candies and tea was served by the teacher, Mrs. Sine, and her pupils.

We had quite a bit of excitement around our burg on Hallowe'en, with almost everything moved that was movable. It even stretched over to Saturday night when someone attempted to take Roy Petherick's car from the back yard of his home. In doing so the culprit ran the car into a hydro pole, smashing it off and doing quite a bit of damage to the car. Mr. and Mrs. Petherick and the rest of the family were away at the time. Neighbours heard the crash and investigated but could find no one around. The police are investigating.

Mrs. Ellis Jones visited her uncle and aunt, Mr. and Mrs. Percy Mumby, at Springbrook, on Sunday.

Percy Reid had a slight accident near his home on Monday, when the tongue of his trailer broke, while hauling whey from the cheese factory. The cans apparently slid forward, putting too much weight on the tongue which broke, overturning the trailer and smashing it. Percy was fortunately unhurt.

Remembrance Day Service

It is to be our privilege and pleasure to have as guest preacher on Sunday, November 9th at 7.30 p.m. Squadron Leader, The Rev. Kenneth W. House, Padre at the RCAF Station at Trenton. This will be a Remembrance Day Service and it is hoped that the Legion will attend. Mr. House comes to us well known to the Rector. They were room mates at the Diocesan Theological Seminary in Montreal for a time. Mr. House is in great demand as a speaker and we anticipate an inspiring and helpful address. A special invitation is extended to all the men to be present. As the Padre is a member of the Presbyterian Church, we hope that many from St. Andrew's will worship with us.

Laymen's Dinner

Sixteen men from the Parish attended the Annual Laymen's Dinner at Bonarlaw on Thursday evening. There was an overflow gathering expertly catered to by the ladies of St. Mark's Church. The Bishop of the Diocese was the principal speaker and gave a splendid and inspiring address. Other speakers included Mr. Earl Morrow and Dr. A. E. Carleton.

Spoke At Glen Miller

The Rev. Thomas Harris, Eastern Field Secretary of the G.B.R.E., was the preacher in Glen Miller and Frankford on Sunday and a guest at the Rectory Sunday evening.

Hallowe'en Party

The Hallowe'en Party for the pupils of St. John's Church School was a decided success. This annual party, under the direction of Mr. Houchin, Supt., and because of his untiring efforts, becomes better each year. Beginning at seven p.m., everyone entered into games until the judging of the costumes, which were weird, varied and colourful. Each class was judged separately with the following results:

Shirley Ackers Class — Wallace Harding, Bruce Woodbeck, Beverly Christie.

Mrs. Whitehead's Class — Douglas Holt, Carol Harding, Gregory Haggerty.

Grace Carleton's Class — Doug Bolte, Denny Armstrong, Margaret

1 lb. candied cherries
1 lb. candied pineapple
1/2 cup strawberry jam
2 tps. rum
1-3 tsp. soda
2 tps. water

Cover almonds with boiling water, drain and slip off skins. Place in shallow pan with 1 tsp. butter and brown in moderate oven. Cream shortening; add brown sugar and molasses and cream again. Beat in molasses well. Add beaten egg whites. Add flour, mixed with salt and spices, reserving 1 cup flour to toss among dry fruit. Add strawberry jam and rum, finally water with the soda in it. 1 cup chopped almonds
1/2 tsp. cinnamon
1 tsp. ground cloves
1 tsp. ground ginger
1 cup grape juice

Chop raisins. Mix ingredients together thoroughly. Store in jars until ready for pie. (Not necessary to cook mince-meat before using for pies.)

THE QUESTION BOX

Mrs. C. J. says: Why has my favourite fruit cake not cooked in the centre?

Answer: The reason for fruit cakes being uncooked in the centre may be: (1) that old cake tins become dark and cook the cake on sides and top before the centre is cooked. These pans require 3 layers of paper on the sides. (2) If something has been spilled in the oven the smoke will cause brownness which will make the cake appear cooked. (3) If the oven door is opened frequently it will not allow the cake to cook in the suggested time. Remedy: Be sure to use a wooden tooth pick or a clean twig from a whisk to pierce the centre of the cake before removing from the oven.

Mrs. S. K. asks: Why does fruit sink to the bottom of a fruit cake?

Answer: All fruit should be dredged lightly with flour and let stand 4 or 5 hours before cake is mixed. Another reason may be that the cake batter is not stirred enough.

Miss J. M. says: We have a strong molasses flavor from our fruit cake. Is there anything we can do to lessen the potency of its aroma?

Answer: Place cakes in a covered crock. Insert a fresh slice of bread beside the cake tins every day for 2 weeks.

Morrow.

Mrs. Secker's Class — Patricia Lyon, Joan McArton, Robert Secker
Mrs. Tanner's Class — Lois Vardy, Marjorie McArton and James Waterfall

The teachers and others served a tasty lunch which the pupils all enjoyed, together with apples, candies and other treats.

Executive Council Met

After the Hallowe'en Party the Executive Council met to make final arrangements for the flooring of the Church. A letter will be sent to all parishioners explaining the project and asking for support. An enclosed envelope is to be placed on the collection plate on or before Sunday, November 16th. Canvassers will call on those who do not use the envelopes. The colour scheme of the floor will be grey with a red feature strip, which will carry out the same colour as the Chancel carpet. It is hoped that the floor will be ready for Christmas Day. The beauty of the chancel will be greatly enhanced by the new floor in the nave of the Church.

Memorial Window

The new memorial east window in Christ Church, Glen Miller, is of beautiful workmanship. Peter Haworth, of Toronto, the designer, says, "the centre light shows Christ Ascending. The Dove is the symbol of the Holy Spirit. The decorative cloud form, the stars and light depict the opening glory of Heaven. The outer lights show the ministering Angels. One bears the cup, and the other the wreath of thorns, symbolising Salvation and Sacrifice. In the window head is the Crown of Life and the Cross of Redemption. The wave form and the range of hill suggest the elements of the earth."

On Tuesday, November 18th at 8.00 p.m., there will be a service of Consecration of Christ Church, Glen Miller, to which all are invited. The Lord Bishop will be present and many gifts will be dedicated. Squadron Leader Dunning and his choir will supply the music. This RCAF Choir is well known to many.

New Windows

At Christ Church
Glen Miller

We have received a letter from Peter Haworth, the well-known artist who designed the new windows in Christ Church, Glen Miller. The Baptistry window depicts in the centre light, little children symbolizing happiness and innocence. They are superimposed on an upward sweep of cloud and stars. The sun — the light of God's love. Birds — the emblem of joy and song. There is a cute little rabbit at one side.

The outer lights depict the child's companions in innocence — the Doe and Fawn, Squirrels and Birds. The background of flower and shrub, the beauty of nature. Theme is taken from the child's hymn, "All Things Bright and Beautiful, All Creatures Great and Small."

Music At St. John's

Last Sunday

At the eleven o'clock service of the Holy Eucharist on Sunday, the Junior Choir sang, "There Is A Name Most Sweet On Earth." This is a beautiful hymn written by Rev. Geo. Bethune in 1857. The melody is by John H. Stockton. The solo parts were taken by Carol Burgess, Lois Vardy and Vicky Armstrong.

"A very valuable citizen"

When a bank manager was transferred recently a group of citizens wrote the bank in tribute to his sense of public service:

"During the time he was here, we found him to be a very valuable citizen. He always took a deep interest in our community, so we feel we have lost a valuable asset. However, we feel sure that his replacement will be made with a man of similar calibre."

A bank man, by the very nature of his work, becomes part of the life around him. During his training in various branches, and as he takes on growing responsibilities, he learns more and more about people and how his bank can help them. And he brings to his community his personal readiness to serve in any way he can.

IMPORTANCE OF VEGETATIVE COVER IN SOIL CONSERVATION

The effect of vegetative cover in reducing runoff losses has been one of the highlights of water erosion studies by the Division of Field Husbandry, Soils and Agricultural Engineering at the Central Experimental Farm, Ottawa.

In 1944, experimental plots representing different management practices were established on both 5 per cent and 10 per cent slopes, on a heavy clay soil and these erosion losses measured for the various cropping systems. The runoff losses for land on a 10 per cent slope manured and cropped continuously up and down the slope with corn or left in summerfallow have been extremely high, reports W. F. Corduque. On the average over the seven year period, 24.59 tons of soil and 22.6 tons of water per acre have been lost annually from corn plots on such slopes. At this rate of loss the entire surface soil which took Nature many thousands of years to build, would be completely eroded in some 30 to 40 years. In contrast, where similar slopes were cropped with alfalfa and timothy, the average loss of soil was only .04 tons and 12 tons per acre respectively. Where oats were grown under such management the average runoff losses were 3.85 tons per acre of soil and 35 tons of water.

Thus sloping land cropped with corn or other food crops which provide but scant cover, would be left relatively unprotected to the ravages of water erosion. Hay crops such as legumes or mixed hays and old sod provide such slopes with a dense vegetative covering, protecting the soil surface from the beating action of rain drops and practically eliminate the erosion hazard. Cereal crops would also provide sufficient cover to retain most of the rainfall once they have become established. The ability of various crops to provide different degrees of cover for soils should be carefully considered in the cropping programme of the farm.

CROPPING PRACTICES AFFECT DRAINAGE

Investigations at Woodlee Federal Experimental Substation show that alfalfa grown for two years on land which had been heavily cropped, increased water percolation more than twice the amount shown for the row cropped land. In addition, the alfalfa was especially effective for increasing water movement at the six to twelve inch depths, says E. F. Bolton, Soil Specialist.

Corn following two years of alfalfa yielded approximately 20 bushels per acre whereas continuous corn yielded approximately 30 bushels per acre. Farmers are familiar with the fact that alfalfa or clovers plowed on heavy clay soils enable early tillage in the spring. Row crops retard spring tillage and where continuous row cropping is practised, the tardiness of drainage becomes pronounced.

Recently, work has been carried out at Woodlee to investigate the differences which some cropping systems create upon the rate of water percolation through Brookston clay soil. Most clay soils in the district require tile drainage for efficient crop production and since the initial installation of these tiles it has been found necessary to add more tile lines, in many instances, where continuous row cropping has been practised.

Tinder Dry Forests Keep Fire Protection Officers Busy

Hunters and others using the forests and the highways and roads through the forests are asked to exercise extreme caution with burning materials of all kinds. Lack of such care during the week started four fires resulting in a burned over area of 92 acres.

Careless smokers, unmindful of the great value to us of our timber resources, tossed away cigarette butts thoughtlessly and were the cause of three of these fires; the fourth resulted from a lunch fire that had been built on what was considered a safe location and was left as being out after being doused with water, reviving and igniting the surrounding forest. In extinguishing a camp fire, it is essential to get that last smoldering ember, pour lots of water on the ashes and stir the ashes and water with a stick until the very base of the charred remains is mixed thoroughly.

Two of the fires occurred in the Township of Faraday, County of Hastings, and two in the Township of Brougham and Lyndoch in the County of Renfrew. The former were controlled under the supervision of Chief Forest Ranger O. Goodman, of Bancroft, and the latter by Chief Forest Ranger M. D. Mulvihill, of Dacre.

Continued Drought Intensifies Fire Danger

Water shortage throughout the district are causing grave concern among farmers, mill owners, loggers and Forest Protection officials of the Department of Lands and Forests.

The old adage, "You never miss the water until the well runs dry," seems particularly applicable this year. Strange to say, the rainfall during the months of June, July, August and September were somewhat over normal and it seems odd that such extreme shortages of water should exist. The explanation appears to be the below normal precipitation in the months of April and May, and the light rains over the entire summer period failing to soak into the ground with the result that much of the water was lost through evaporation. Add to these conditions the very dry October weather and it is not difficult to see why the water table is low.

The combination of a dry forest floor, with curled-up leaves and dead plants, high temperatures, strong westerly winds and many hunters in the bush has placed the forests in a very vulnerable position, requiring the full co-operation in fire prevention of all parties travelling through or living in the area, whether permanently or temporarily.

Before-Season Deer Hunters

Conservation Officers have apprehended the usual number of hunters who insist on beating their fellow hunters to the punch by commencing the hunt before the season opens.

Although this type of act is unsportsmanship and if detected may result in a fine of at least \$50.00 and the loss of shooting equipment, nevertheless, there are always a number of hunters who ignore the rights of others and throw caution to the wind by disobeying the laws designed to

protect the deer.

Lake Trout Spawning

It is interesting to note the effect climatic conditions have on the period of time in which Lake Trout spawn. Conservation Officer S. A. Shields of Renfrew reports that spawning was fairly well through at the end of the week, that is, October 25th, whereas, Conservation Officer R. B. Page advises that the Trout in the lakes in the Hartington-Battersea are just commenced spawning about October 20th.

Protection of the parent Trout while on the spawning beds is of great importance and officers have been very busy keeping an eye on the numerous shoals through their areas.

Hastings Co. Council Pays Tribute To Warden Lee Grills

Hastings County Council paid tribute to its 1952 Warden, Lee Grills, Tuesday night last when the annual Warden's Banquet was held at the Masonic Temple in Belleville.

Close to 300 county officials and their wives, together with special guests enjoyed a turkey banquet with all the trimmings served by the ladies of Aikens' Church in Sidney Township.

The toast to the guest was made by Clarence Graham, reeve of Tweed village, with responses by Mayor McLean Halg, of Belleville; Mayor Kenneth J. Couch and Calvin Hughes, warden of Prince Edward County.

On behalf of the members of the County Council, Deputy Reeve Harry Morrow of Sidney Township presented Warden and Mrs. Grills with a handsome mantel chime clock. Mrs. Grills was presented with roses by Mrs. Kenneth Yorke.

It was the largest turnout at a warden's banquet seen in Hastings in many years and the many fine tributes given by the various speakers attested to the popularity of the current county council head. Guest speaker for the evening was Rev. W. A. Young, Padre at the Ontario Agricultural College at Guelph. Chairman for the evening was Erle S. Denyes, county clerk treasurer.

Termining the warden's banquet "one of the biggest events in my life," Warden Grills paid tribute to members of county council who, he said, had proven themselves sound administrators of county business. He referred to the downward trend of farm prices and the increased taxes this year. He termed this as an alarming trend but one which could not be avoided.

Warden Grills referred to the good relations existing between the county and the city of Belleville and the town of Trenton.

Response to the warden's address of welcome was made by two members of county council, Reeve Fred Mitchell and Thurlow and Reeve Theodore Tyron, of Bancroft, and by Kenneth Yorke, superintendent of Hastings County Home.

As guest speaker Padre Young spoke on the topic, "Conserving Canadian Values," and paid special tribute to municipal office holders who he said were too often unjustly criticized.

Riverside School Hallowe'en Party

On Wednesday evening, October 29th, a large crowd attended the Hallowe'en concert at the Riverside School, Sidney. The school looked very attractive with its orange and black streamers, numerous witches, cats, owls, ghosts and lighted Jack-o-Lanterns.

The pupils under the direction of their teacher, Mr. Melghen Rodgers, and with Mr. Blake Hearn acting as chairman, and Mrs. Vernon Matthews as pianist, presented the following programme:

Madoc Box Factory Destroyed By Fire, Loss Is \$80,000

Loss amounting to an estimated \$80,000 resulted Sunday night, when the Canada Wood Products Ltd. mill in the south part of the village of Madoc was destroyed by fire. The mill manufactured cheese boxes and fruit baskets and employed 25 men.

The Madoc fire department under chief Kelly Mulrooney, fought the blaze for several hours but were unable to save the building. The top

floor of the two-storey factory was burned away while mill machinery on the ground floor level was ruined and twisted by the excessive heat. At the height of the blaze the flames leaped high into the air and could be seen for several miles.

The box manufacturing plant had been operating in Madoc for about ten years, first being run by the Richardson family. About five years ago the mill was sold to the present owners who expanded the mill's operation. Manager of the mill is Cecil Hagerman.

Cause of the blaze is unknown although earlier in the evening a severe electrical storm passed through the Madoc district. Several acres of wooden bolts piled in the mill yard ready for processing were not damaged in the fire.

Loss of the mill will be a severe one to Madoc as many of the village residents found employment there.

Wellman's Women's Institute

The October meeting of the Wellman's Women's Institute was held at the home of the President, Mrs. Douglas Clancy on the 22nd with a good attendance.

This being the Historical Research and Current Events meeting, the roll call was answered with current events. The topic was given by Mrs. John Rainie, "The story of the Mohawk Silver," the first in Canada. The motto for the meeting, "Do not waste time looking at your hill, climb it," was given by Mrs. Harry Fanning. A report on the Area Convention held in Belleville, was given by Mrs. Lindsay Pollock. Musical numbers were given by Mrs. Fred Beckett and Mrs. Lorne Watson concluded the programme. The meeting closed with the Institute Creed and the National Anthem, after which lunch was served by Mrs. Clancy and her assistant hostesses.

Snow Plows Are Equipped With Telephones

Snow plows and patrol trucks of the Kingston division of the Ontario Dept. of Highways, in which this district is included, will be equipped with mobile telephones so that plow operators and patrolmen might contact headquarters and equipment warehouses within a few minutes. Formerly, during bad storms, the employees were forced to drive many miles before making contact with Highway supervisors.

The installation of telephones will

be completed by November 3rd, in time, it is expected, to meet the first emergency. The Toronto highways division has had telephone facilities since 1948 and the service has proved most helpful.

The Kingston division includes 700 square miles, bounded by Prescott in the east, Trenton in the west and No. 7 Highway in the north.

Psychology's Failure

Riots in prisons in Canada and the United States suggest that modern psychology, as applied to criminals, is not a pronounced success. For years there has been a growing tendency to handle criminals as if they were mentally ill persons needing to be cured, rather than dangers to society needing punishment and restraint. Some convicts do reform after serving time; but it may be questioned whether the relatively easy life of the modern jail or penitentiary accounts for a higher percentage of reforms than the abhorred methods of the old days.

As far as one can learn without firsthand experience, life in the modern Canadian prison provides more in the way of welfare-state benefits than are available to the average citizen outside. For example, food and clothing are free; some free amusement is provided. Earnings are low, by union scales, but are not subject to deductions for income tax, unemployment insurance or old-age pensions.

Yet riots occur, either from boredom with too much social security, or as a result of the tax discipline advised by modern psychologists. On the theory that the psychology may have been wrong, authorities of the prison farm at Guelph, Ont., where one of the most destructive of recent riots took place, now appear to be trying a policy of strictness. The prisoners may not like it, but then it is only a theory of psychologists that prisons should be made happy places for the inmates.

Strict discipline, justice without molly-coddling, will not harm prisoners, who are worth reforming, but may keep them from repeating the offences that brought them to prison in the first place. It is unlikely to do much for the prisoners who are incapable of reform. They will always be society's problem; but the problem of society in connection with them is first-a matter of self-protection.

DONALD W. CAMPBELL

This community was deeply shocked to learn of the sudden death of Donald W. Campbell, farmer, at a hunting camp at Lake St. Peter, McClure Township, early on Wednesday morning, following a heart attack. He was in his 52nd year.

Born at Ormsby, Ont., a son of the late James Campbell and his wife, Elizabeth Menzie. Donald William Campbell had resided in this district for many years, and was well and favourably known. He took an active interest in the Stirling Agricultural Society, being vice-president at the time of his death. He was also interested in educational matters and was a member of the Centre Hastings High School Area Board. Fraternally he was a member of Stirling Lodge, No. 239, I.O.O.F., and L.O.L. No. 251, Hal- loway, and in religion a member of Mt. Pleasant United Church.

He leaves to mourn his wife, the former Edna Charlotte Rollins; one son, Douglas, at home; three sisters, Mrs. Larry Decker, Goshen, N.Y.; Mrs. Ernest Campbell, Morganston, Ont., and Mrs. Chas. Wannamaker, of Ot- tawa; and one brother, James Camp- bell, Stirling, R.R. 4. One grand- daughter also survives.

The funeral announcement is pub- lished elsewhere in this issue.

THOMAS E. MCCAUGHEN

After an illness of three years, Thomas Edward McCaughen, died at his home in Stirling on Friday after- noon. He was born in Sidney Town- ship, in the Oak Hills, 80 years ago, being the son of the late Isaac Mc- Caughen and Nancy Montgomery and had resided in the village for the past 19 years. He resided for many years at Wellman's Corners. Mr. McCaugh- en was a retired cheese maker and was well known and highly respected in his community.

A member of Wellman's United Church, he is survived by his wife, the former Ethel Whitton, one daughter, Mrs. Harold Morgan and one son, Jack McCaughen, both of Stirling; one sister, Mrs. Carleton Wright, also of Stirling, and two grandchildren.

Saturday Next Poppy Day

Saturday next, November 8th, is Poppy Day in Stirling, and members of the Stirling Branch of the Canadian Legion are asking the citizens of Stirling and district to wear a poppy in remembrance of the debt which we who live owe to those who died in battle.

One day in the year the people of Canada are asked to wear a poppy to

show that they remember. One day in the year they are asked to pause briefly to honour the day. That is little enough. While remembrance of the dead of two wars is the spiritual aspect of the poppy, there is the other practical purpose of assisting the living, for the money raised through the fund is used for emergency assistance to Veterans and to families of Veter- ans.

The Stirling Legion stands ready to render assistance to any veteran or his family at a moment's notice and the sale of poppies is one means it has to provide the necessary funds for this service. It should be remembered too that while the Poppy Fund is a national appeal, all money raised from the sale of poppies in this community, is used locally. The Legion slogan, "Wear a Poppy for Remembrance" is a good slogan. It is one that deserves the support of every citizen.

Special Remembrance Day Services On Sunday At Stirling Churches

Challenging Sermons And Special Music By Choirs — Congregations Are Large

An impressive service at St. Andrew's Presbyterian Church, Stirling, was held last Sunday morning in keeping with Remembrance Day. A two minutes' silence was observed in memory of those who had made the supreme sacrifice in the Great World Wars.

The special music included the Junior Choir, under the leadership of Mrs. Clarke Rodgers, singing, "O God of Love, O King of Peace Make Wars Throughout The World To Cease," with Carol Ray and Heather Rodgers taking the solo parts. The Senior Choir rendered an appropriate number, "It Shall Not Be In Vain," with Mrs. Roy Eggleton and Mr. John Irish taking a duet in the Anthem. William Reynolds rendered a solo with those famous words of Col. John McCrae, "In Flander's Fields." Mrs. R. H. Williams was at the console of the organ.

A brief message to the young was given by the Minister, Rev. W. H. V. Walker, on the Union Jack and he took as his theme "Remembrance," with the underlying note of reverent thanksgiving to God for the victory given to the allied forces and concluded with the urgent challenge to assume our full responsibilities in striving to bring peace and good will to a war-weary world according to the ideals of Jesus Christ, who came into the world to establish justice and truth and righteousness. "Lest we forget we shall remember them, and answer their sacrifices by doing all we can to win the peace."

AT ST. PAUL'S

The Parish and War Dead were reverently remembered in a special service at St. Paul's United Church last Sunday morning. Large ribboned poppy wreaths were hung on either side of the War Memorial Tablet inscribed with golden letters 1914-18 and 1949-1945 respectively.

The Minister based his message on Proverbs, Chapter ten, verse seven. He cited the gains and losses related to the care of the "Garden of Memory." Mr. George Carlisle, Clerk of the Session, read the names of the civilian dead for the Parish Burial Register. Mr. R. A. Patterson (veteran) read the names carved on the marble war memorial.

To the names read by Mr. Carlisle, the Minister added with fitting reference our late King George VI, Clifford

F. W. HOUCHIN SPEAKER AT LOCAL ROTARY CLUB

Fred Houchin, local Postmaster and President of the Stirling Branch of the Canadian Legion, was the guest speaker at the regular weekly supper meeting of the Rotary Club on Tuesday.

Choosing as his subject, "The Poppy," Mr. Houchin's address was most timely and emphasized the significance of this symbol to the free world. He also spoke of the assistance the Poppy Fund provided Veterans and their families in times of emergency, and closed his address with some sobering truths concerning a soldier's sacrifices.

The speaker was introduced by Rotarian Bob Patterson while thanks were offered by Rotarian Geo. Noble. President H. J. Wells presented Mr. Houchin with a Rotary pencil in appreciation of his address. All the fines collected by the Sgt-at-Arms were turned over to the local Legion's Poppy Fund.

During the evening a lively song of old army favourites was led by Bob Patterson with Mr. Houchin at the piano and Major Fraser on the drums.

Among the guests were Comrades Steve Smith, of Toronto, Geo. Heasman, Charlie Barnard and Major Fraser.

Vandals Active

Complaints have been made to the News-Argus by responsible citizens of acts of vandalism being perpetrated by children around the band stand situated on Coronation Park, Edward and Gore Streets. The band stand and the benches, as well as the playground equipment were placed there at considerable expense of both money and energy and the boys and girls should be taught to appreciate these things and refrain from damaging them. The names of the ringleaders are known and if the vandalism continues their parents may be called upon to pay for the damages incurred.

Sine, Thomas Sinclair Baker (his father) both born in Stirling, and a devoted widow Sarah Farr Davis, of Toronto.

Members of both choirs wore poppies on their robes. The Royal Choir sang "In Memoriam" — "There's A Friend For Little Children" with verses sweetly sung by Miss Wendy Warren and Master Ralph Carlisle. Mrs. Cecil Macklin sang reverently the choral invocation with accompaniment hummed by the choir. The St. Paul's Choir sang, "The Lord Is My Shepherd." A special contralto solo, "He wipes a tear from every eye," was sung by request.

The Last Post and Reveille were sounded (and never better at St. Paul's) by Wm. Aylsworth. Periods of silence were observed in the prayerful remembrance of both the civilian and War Dead.

Memorial flowers, the thoughtful gift of Mrs. Thos. McCaughen were placed in the altar area of the church.

Memorial Service

The Church was filled on Sunday evening when Squadron Leader the Rev. Kenneth House, preached on the subject of "Dare we forget?" The Legion, Guides, and Brownies with their leaders were present to worship with the congregation and many visitors, on this Remembrance Sunday. Padre House gave an inspiring and thoughtful sermon. The Rector welcomed him to St. John's, both as a personal friend and an able and well known speaker. Rev. W. H. V. Walker was with Mr. House in the Sanctuary and read the second lesson. Miss Isobel Archdekin sang beautifully "O Valiant Heart," accompanied by the organist, Mrs. H. H. A'ger.

Perfect Hand

A perfect cribbage hand was held by R. E. Fox in a game on Tuesday night. Playing with Grant Potter, Mr. Fox held three fives and the Jack of Diamonds and cut the five of diamonds for 29 points.

In Hospital

Friends of Miss Carolyn Rollins will regret to learn that she is a patient in Belleville General Hospital, where she underwent an operation on Sunday. Latest report is that she is progressing well towards a recovery.

Poppy Day Successful

With the returns from six rural schools yet to come in, Comrade Harry Francis, chairman of the Legion's Poppy Fund, reports proceeds amounting to \$140.00. This is most gratifying to the local Legion and the members are deeply grateful to all those, particularly the rural schools, who assisted in any way towards the success of Poppy Day.

Circuit Party For Rev. R. R. and Mrs. Bonsteel

On Tuesday evening over two hundred adults and numerous children gathered at Mount Pleasant Church Hall in honour of Rev. and Mrs. R. R. Bonsteel on the occasion of their recent marriage.

Representatives were present from Bethel, Wellman's and Mount Pleasant communities on this auspicious occasion.

A former beloved Pastor, Rev. F. G. Joblin, of Port Perry, was master of ceremonies and carried out those duties in his inimitable style. In his brief address he extended congratulations to the groom, a hearty welcome to the bride and gave a few reminiscences of his former pastorate on the Rawdon Circuit.

Mrs. Frederick Beckett and Mrs. Lorne Watson were in charge of the assembly singing. Piano selections were given by Mrs. Will Heath, Miss Gail Scott, Mrs. Lorne Watson and Mrs. Fred Beckett.

Readings were contributed by Mrs. Kenneth Weaver, Mrs. John Carlisle, Mrs. Edgar McKeown, Miss Marie Vanderburgh, Mrs. Don Heath and Mrs. Percy MacMullen. Mrs. Donald Heath gave a vocal solo, while vocal duets were contributed by Mr. and Mrs. Eric Summers, Miss Barbara Green and Master Denton Short, and by Mrs. Will Jeffs and daughter Gail. The newlyweds were given honoured seats and Mrs. Clifford Clancy read an address of appreciation and a poem that God will guide you whereso'er you go. Mrs. Thos. Laycock made the presentation of a substantial money gift.

Mrs. Kenneth Weaver read another address on behalf of the charitable gang and Mr. Mac Sharp made the presentation of green backs on behalf of that group.

Brief messages of congratulation and best wishes were expressed orally by Messrs. B. C. Tucker, George Weaver and George Watson.

Rev. Bonsteel and his bride graciously extended their thanks for the delightful evening, the programme which they thoroughly enjoyed and all the kindness shown to them. They invited one and all to visit the parsonage and view their wedding gifts.

All sang "Blest Be The Tie That Binds," after which refreshments were served.

Card Party

A very successful evening of cards was held in St. John's Parish Hall last night under the auspices of the Ladies' League. Six tables of bridge and six of euchre participated, with Mr. and Mrs. Glenn Morrow winning the prizes for euchre and Mr. H. Parkinson and Mrs. Albert Fraser for bridge. At the conclusion of play refreshments were served and a social hour enjoyed.

Holstein Breeders Enjoy Banquet

Presentation To Mr. and Mrs. A. O. Dalrymple — E. I. McLoughry Speaker

Two hundred and thirty-five Holstein breeders, their wives and friends attended the annual banquet sponsored by the Hastings County Holstein Breeders' Association last Thursday night at the Carmel Jubilee Hall. The ladies of Carmel United Church provided an excellent chicken supper which was thoroughly enjoyed by the large gathering.

The Holstein Club President, Max Burnside, of Madoc, was chairman and expressed his thanks to the directors and breeders who have given good support to the Club.

Presentation

A delightful feature of the evening was the presentation of a purse of money to Mr. and Mrs. A. O. Dalrymple in honour of their recent marriage. Mr. Dalrymple has served as the efficient secretary-treasurer of the Club for several years and David Hollinger, Past President, briefly addressed the honoured couple before making the presentation. Mr. Dalrymple voiced the sincere appreciation and thanks of Mrs. Dalrymple and himself for the gift and the spirit that prompted it.

E. I. McLoughry
Guest Speaker

G. E. Nelson, Holstein Fieldman, briefly addressed the gathering, after which he introduced E. I. McLoughry, director of extension at Ontario Agricultural College, Guelph. In an interesting address Mr. McLoughry drew a vivid picture of the old and new methods of farming and admonished the farmers' sons to stay on the farm.

David Hollinger, Past President of the Club, expressed thanks to the Carmel ladies for a splendid meal and to the guest speaker and artists for an enjoyable programme.

Allen Sisters
On Programme

The Allen sisters, of Lonsdale, Ont., contributed several dance and elocution numbers to the programme.

The singing of O Canada brought a pleasant evening to a close.

Young Marrieds

St. Paul's Young Married Club met at the home of Harold and Lenora West. The meeting opened with the President, Charlie Davidson, reading the Scripture, followed by a prayer read in unison by the Club.

Several items of business were brought forward and agreed upon.

At this point the meeting was handed over to Harold and Lenora's group. Several musical numbers were presented, including solos by Lenora and X. P. Mayhew. The Club enjoyed a spelling bee, which brought the meeting to a close.

Very tasty refreshments were served by the hostess and their group.

Mrs. Harry Vandervoort Hostess to River Valley Women's Institute

The regular meeting of River Valley Women's Institute was held on November 6th at the home of Mrs. Harry Vandervoort, with over thirty members and visitors in attendance and several children.

Mrs. Edward Heasman presided with the usual Ode and prayer. Two minutes' silence was observed in memory of a charter member, Mrs. Will Hanna, and a poem, "Beyond The Gateway," was read.

Mrs. J. L. Donohoe gave her report. There was a good bank balance in the financial statement. Pictures of the Cemetery Bee held on Saturday, November 1st and pictures of the skit, "Hats Off To The Past," presented at the Area Convention held in Belleville in which several River Valley members had a part, were shown, and these will all be preserved in the Tweedsmuir Book.

Messages of thanks came from Mrs. Earl Morrow and Mr. and Mrs. Gladstone Park and Ralph. Miss Anna P. Lewis was delighted with the historical records sent to her by the Secretary.

A pantry shelf donation will be gathered for the Trenton Memorial Hospital. Home canned fruit, vegetables and pickles will be very acceptable. Donations should be in by November 20th. They can be left with the President or with Mrs. Don Donohoe in Stirling; Mrs. Jack Sager, Frankford Road, or brought to the Pie Social this week.

Mrs. John Kane was appointed to look after replenishing the first aid kit at the school. The Provincial grant will be left in Toronto as they can use it to better advantage for educational purposes. The expenses to Belleville Area will be paid and donations were received from Mrs. Charles Vance and Mrs. Roy Bush for ribbon and paper used in the skit. The December meeting will be held at the home of Mrs. Bob Philip with Mrs. Percy Utman and Mrs. Earl Morrow as Conveners and each lady to furnish refreshments. It was decided that for gift exchange the adults be 50 cents and children 25 cents. The prizes

bought for the cancelled Halloween Party will be paid for and kept for future use. The roll call based on "Farm activities no longer used," covered a wide range of interesting items from carding and weaving wool, butter and bread making, using a cradle to harvest grain and an ox-yoke for ploughing.

Area Convention Reports Given

The Area Convention reports were given by the delegates. Mrs. Percy MacMullen gave the highlights of the first day, October 16th. She paid tribute to Mrs. Carl Clancy, Area Chairman, who had given so much of her time in arranging this affair at a new location; to Mrs. Roy Bush, River Valley, in whose fertile mind was evolved the skit depicting 25 years of Area Conventions and who spent hours in the preparation. To Mrs. R. G. Purcelle, Provincial President, for her efficient way of conducting the election.

Mrs. Purcelle covered a great many phases of Institute work in her address and told how the tickets will be allotted by Districts for the special "Canada Day" at Maple Leaf Gardens next August. W.I. women should build for the future. Interesting meetings should be planned by the Conveners, women should learn about the United Nations, the Food and Agriculture Organization, World Health Organization and many other items of world interest as well as their own special Conventer topics. Mrs. MacMullen also gave a brief synopsis of the address on "Jury Duty For Women."

Mrs. Jack Bush, delegate for October 17th, gave the list of new officers, items of interest based on the various reports which had been given and synthesized an address given by Miss Ethel Chapman, new editor of Home and Country. Miss Chapman urged adult education; health programmes, good libraries, and above all making your neighbourhood a cheerful place in which to live. Mrs. Bush also explained "The Sunshine Sister" idea and "The Value of Conservation."

The Fall issue of Home & Country

Special Speaker at "Church of the Prophets," Carmel, on Sun. Nov. 16

The beloved Padre Lt. Col. Sidney E. Lambert, O.B.E., who speaks at Carmel Church next Sunday night, November 16th.

was distributed and contains many pictures of the prize winning quilts in the Salada Tea Contest. The winners in this area were Grafton in West Northumberland and Wallbridge in Hastings West.

It was decided to send a box valued at ten dollars to the Sister Institute, Abbot's Leigh, Bristol, England, at once, so they would have it for Christmas.

Programme

Mrs. Fred McDonnell, Convener of Historical Research, presided over the programme, and she displayed a few oldtime articles that were very interesting. Mrs. R. Utman was pianist for the assembly singing. Miss Cheryl Utman sang a cute number and later Rose Anne Vandervoort delighted with a piano selection.

Mrs. Roy Bush and Mrs. Roy Irven displayed the various pages of the Tweedsmuir Book. Both ladies have donated money towards this venture and have given hours of their time.

Mrs. Bush said that in 1881, the late Mrs. Charles Morrow named the community "River Valley." Previous to that it had been called Sager's Corners. She gave a great deal of information re the old Indian Camps and cemeteries that are scattered all over the various farms in this district. She displayed an old picture taken in 1887 in Syracuse, New York, showing Mrs. William White (Chloe Chard) and her six sons and four daughters before the mother and some of the family came to Canada as United Empire Loyalists. In this group were Philo White, Surveyor and Journalist, who contributed many articles for the Stirling News-Argus and Mrs. John Brooks (Lucinda White), Carmel community. Two great granddaughters of these two old pioneers are members of River Valley W.I. Another son Benoni White is buried in the old Valley Pioneer Cemetery and lived in the Glen Ross area known as White's Landing.

The Tweedsmuir Book contains a record of a pump manufacturing plant on Pig Street, a full list of all the teachers who have taught in the River Valley School and a wonderful display of oldtime pictures. There were a couple of pages which had been prepared by a former member, the late Mrs. Clarence Chard. Mrs. Bush's explanation of the book was most interesting and there is no doubt but that someday it would win a prize as there is so much valuable information contained on its various pages.

The members are asked to look for a special magazine picture depicting an older person and Mrs. Kenneth Morrow will make a list of all the school teachers who were educated at River Valley School before taking their High School course. It is hoped to have a special evening in January to deal with the Tweedsmuir Book and the admission will be a contribution of some kind for the book. Historical Research is becoming very important and Northumberland is working towards a museum so that nothing will be lost or forgotten.

The refreshment committee, Mrs. Allen McDonnell, Mrs. Ernest Gifford, Mrs. Hugh Jones, Mrs. Gerald Brooks, the president and hostess served sandwiches and tarts. Mrs. Claude Tucker voiced appreciation for hospitality, delegates' reports, programme and lunch.

Stirling High School Sport Notes

Stirling defeated Madoc in a hard-fought rugby game at the local Fair Grounds last Wednesday. This was the second game to Stirling's credit this year. Several players made reputations for themselves by their fast hard playing.

Frank Bailey made a run of about 60 yards before he was tackled on the 2 yard line. Robert Copeland and Glenn Graham both made touchdowns in this game. Many of the veterans of the Tweed-Stirling game limped on and off the field.

This was the last game of the season for Stirling. It was refereed by Dr. Ralph Vandervoort. The score was 12-2.

Tweed Defeats Marmora

Marmora and Tweed played off the final rugby game of the High School League. Tweed won, and is now in possession of the pennant for its second consecutive year.

The standings for the teams are as follows: 1st Tweed; 2nd Marmora; 3rd Stirling; 4th Madoc. Madoc lost every game, just as Stirling did last year.

To Dr. Vandervoort and Dr. Cornett and others who took an active interest and helped the rugby team this year, we wish to express our gratitude and thanks.

Stirling Volley Ball Team Loses

The girls' Volley Ball team was defeated by Tweed last Wednesday in the school gym. The reason for this, the girls explained, was that they were outclassed and did not have the teamwork they did last year. Many of the best players graduated from school last year. Miss Hay, the coach, said "that the team was going to win the next two games and be in the running for first place."

Shirley Ackers was referee. The score was 57 (blush) to 24.

Toronto Man Dies In Two-Car Crash

One Toronto man was killed and three other persons injured in a two-car crash on No. 7 Highway, four miles east of Marmora, late Saturday afternoon.

Dead is Robert N. Booth, 54. Injured were Mr. and Mrs. John Rumisek, also of Toronto.

Mr. Rumisek received a broken right leg, head cuts and injuries to the left knee. His wife had face cuts. Both were taken to Belleville General Hospital.

A passenger in the Booth car, Ronald Jenkins, 21, of Toronto, received serious head cuts.

Nativity Window

At Christ Church

Description of the West or Nativity window in Christ Church, Glen Miller, is as follows: In the centre light is depicted Mary and the Infant Jesus against the background of the stable shelter. In the window head is the Star of Bethlehem. The outer lights have the Three Wise Men bearing the gifts of love. In the window heads are the three Crowns symbolizing the Magi, and the Rose symbolizing maternal love.

The Baptistry is the children's window and has the name of the donor and his wife.

Mrs. R. Hawton is ill in Kingston. Our prayers are asked on her behalf.

Honour Roll At Carmel

Next Sunday evening all citizens and especially all veterans and their families will gather at the "Church of the Prophets," Carmel, to unveil the War Memorial Tablet erected in loving memory of the brave dead of 2 world wars. The beloved Padre Col. Sidney Lambert, O.B.E., will be the special guest. Seats will be reserved for all Silver Cross Mothers and the next of kin of those whose names appear on the honour roll as well as the Stirling Branch of the Canadian Legion and other special guests.

The beautiful hand carved memorial is the work of Mr. A. C. Campbell, of Belleville, who graciously gave his time and skill in this Christian ministry.

Half Mast

The burial of the late Thomas Edward McCaughey last Monday week enabled us not only to commend the Cemetery Board but the Public School Trustees at Wellman's Corners. We observed the Union Jack on the school flag staff was at half-mast. We are informed that (as is the practice at the equally interested River Valley School) the flag at Wellman's Corners flies every day of the school year and is lowered to half-mast whenever the "angel of death" brings a summons to the community or when a former resident or pupil is brought home for burial.

Wellman's Cemetery

When the Sunshine, brightens the stone,
Which bears your name,
What better to know
Than that those left behind
Will sometimes visit this quiet spot
And say "He giveth His beloved sleep."

These beautiful words are inscribed on the letter heads of the Wellman's Cemetery Board.

Donors

Our information is that David Mack and Peter Hubble each gave one half acre of land for this cemetery. They were then given two burial plots in recognition of their gift. Later David Hubble, a grandson, sold additional land to enlarge the cemetery.

Early Trustees

The records in possession of the active and interested Secretary, Mrs. Burton Morton, date from 1890 when the trustees were Messrs. J. A. Vandervoort, Jas. Dunnican, R. Totten, Peter Hubble, Joseph Hogle, Jas. Whitton (father of Mrs. Thos. McCaughey), and George Mack, Secretary.

Women's Institute

Although burials took place through succeeding years it was found toward the close of World War I that the creeping hand of neglect had so gripped this burial ground that it disgraced this Christian community.

Under the leadership of Mrs. Cornelius Urban Clancy, then Pres. of the local Women's Institute, action was initiated to restore this resting place of the community's dead. Ably supported by her husband, Mr. David Hubble, Mr. Charlie Dracup, the valued Secretary, Miss Emma Rainie, and a devoted band of women including Mrs. Bert Nix, Miss Nellie Wooten, Mrs. Andrew Melkjohn, Mrs. Carl Clancy led the work of restoration beginning in October 1919.

"Bees" were organized and money raising activities were planned by which the Women's Institute rendered this public service for many years. Indeed some donned their "jeans" and did painting and other manual work.

New Board

As the interest of the Women's Institute receded it was found desirable to establish a Board of Trustees under the law as set forth by the Province of Ontario. As a result the Cemetery was duly registered in 1949 and the following Trustees elected: Messrs. Lloyd King, Lindsay Pollock and Clifford Sharpe. These men with the present caretaker, Mr. Victor Graham, and Mrs. Burton Morton (Secy.) are to be commended for the interest with which they are performing their duties.

Before 1949

This Cemetery was not a forgotten "God's Acre" after the Women's Institute gave over the work as we are informed, Mr. Walter Scott was the devoted and painstaking caretaker for several years. Mr. Scott is credited with a complete knowledge of almost every plot and every grave in this cemetery.

Cemetery Plan

Wellman's has (what many small cemeteries lack) an accurate plan of its plots and the burials therein. On every hand is the evidence of office-bearers "well-organized."

Gateway

The present appearance of the Cemetery is said to be largely the realization of a dream of Mr. Angus Todd. This unselfish citizen not only

planted shrubs and evergreens but planned a most attractive entrance gateway where well built and well placed pillars of stone suggest both beauty and stability. The entire community with few if any exceptions shared in making Mr. Todd's dream come true.

Endowment Fund

The Endowment Fund for perpetual care of the graves now amounts to approximately \$2100 which is invested in registered government bonds.

Looking Ahead

We would like to visit this cemetery in June when we are informed the flowers and lawns are a tribute to both the dead and the living. We have seen the lovely "Mount Nebo" Cemetery near Springbrook which is also a garden of beautiful bloom in late June.

Sometime the sturdy gateway pillars at Wellman's may be surmounted by large stone urns with seasonable flowering plants. A hedge surrounding the neatly kept fence would tend to quiet and warmth when chilling winds sweep over the ridge.

Perhaps too it would enhance this sanctuary if an appropriate name plate or designation could be erected or placed on the entrance gates?

Trust Funds

Many Cemeteries, churches and schools especially have now well established endowment funds. When applied to cemeteries this is commonly called the Perpetual Keep Fund. Great care should be exercised in the custody and investment of such funds. A common practice for Boards of Trustees is to deposit such funds with an approved Trust Company where interest is earned at three and one-half per cent compounded half-yearly. Dominion Government Registered Bonds

are of course a gift-edged security.

Remembrance

One of the most satisfactory ways of remembering our loved ones is to make a gift to the Church Endowment Fund. This fund is already in operation at St. Paul's Church, Stirling. All such gifts at St. Paul's are deposited with the Victoria and Grey Trust Co. The name of the donor or of the person designated by such is carved on a white oak name plate and placed in the Endowment Directory in the Church entrance hall.

It is suggested that a tithe or one-tenth of one's estate should be willed to this fund where the gift will honour the giver in perpetuity.

Let Us Visit

Cemetery and School Boards at large would do well to take a page if necessary from the administration of the well ordered Wellman's rural community. An artist's dream is the Pioneer Mill on nearby Squire's Creek. Plan a visit to Wellman's.

Stirling Sign

We are pleased to note that the Dept. of Highways has erected a "Stirling" sign on the north side of the bridge crossing the Moira to be seen on leaving Belleville via Highway No. 14. We need one now on the other side of the River. Thank you Mr. Doucet.

Mail Boxes

In passing it is pleasing to note the great improvement in mail boxes on R.R. No. 3, Frankford, and on Stirling R.R. 4. Among those noticed recently are the boxes of Mrs. Mary Vandervoort, Mr. Ralph Utman and Mr. Morley Richardson. There are still boxes about Stirling with indecipherable names.

Remembrance Day

In Our Schools

Perhaps the most attractively decorated room for Remembrance Day

was Room No. 5 in the Stirling Public School where every upper window pane carried an attractive cross draped with poppies. Mrs. Clarke Rodgers is the painstaking teacher. A cross of poppies was impressive in Miss Montgomery's room and blackboard drawings in Miss McDonald's room. Remembrance Day was also marked at the Glen Ross School and in Mrs. Heath's class, Stirling. While we were not on hand Monday we feel sure every teacher in our district is helping to worthily tend the "Garden of Memory."

Award to River Valley

We are advised that the River Valley School has received the 1952 award for the school in South Hastings making the most improvements during the year from the Horticultural Society.

Bonfire At Glen Ross

The recent burning of an Arbour Day brush heap has improved the grounds at Glen Ross. The new flag pole still unpainted continues to lie in long grass. It has a companion in the Public School Grounds at Wooler. Which of these schools will be first to erect its flag pole and unfurl a Union Jack?

Penny Banks

Lest the virtue of "thrift" may become lost we would recommend that School Boards explore the feasibility of opening "Penny Banks" especially in urban centres where many children appear to have money to throw away.

Bible Sunday

Junior Choir

Mrs. Clarke Rodgers, Supervisor of Music in the Stirling Public School has kindly undertaken to prepare a composite Junior Choir to sing at the Great Bible Sunday Service at St.

Andrew's Presbyterian Church, Stirling, Sunday evening, November 30th. Senior Choirs are expected to lead the hymn singing.

Bible Lesson

It is hoped that representative children from all our schools and Sunday Schools will bring at least one of the Scripture Lessons through a Bible Drill exercise at St. Andrew's on Nov. 30th. All our citizens from the village and Townships should plan to attend this service.

St. Andrew's Ladies' Aid

St. Andrew's Ladies Aid held their meeting in the Church Parlours on Thursday last with a fair attendance. The meeting opened with "O God Our Hope In Ages Past," followed by the Lord's Prayer in unison. In the absence of the secretary, who has moved away, Mrs. Walker acted as secretary.

An invitation was accepted to attend a bazaar and tea at Bethel. In the business period, the treasurer gave her report showing a substantial balance from the turkey supper. Mrs. Greenley was appointed secretary for the re-

maining part of the year.

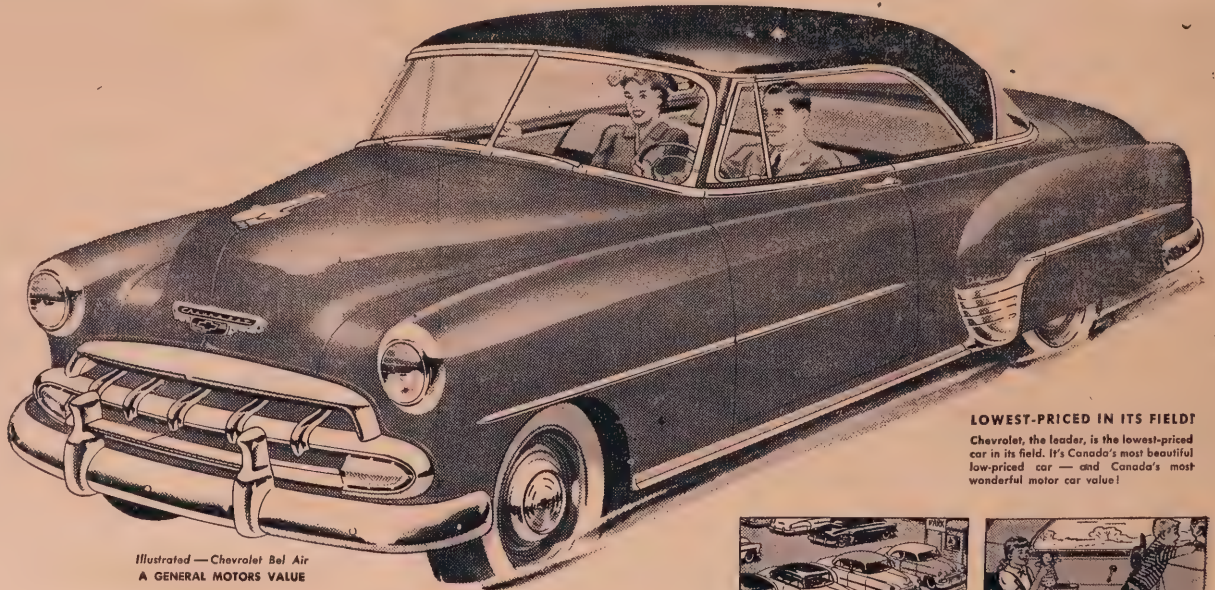

The programme was in charge of Mrs. Williams who opened it with a reading by Mrs. Ken Ray, "You Just Can't Win," followed by a piano solo by Mrs. V. Matthews, which was enjoyed. Mrs. H. Rollins gave a paper on "Rich Nature," which was very interesting. Hymn, "Breath On Me Breath of Life," was sung. The meeting closed with benediction.

A very special lunch was served and a social time spent. Miss Gena Spry voiced her appreciation to the committee in charge for the splendid afternoon.

Mount Pleasant

"In Remembrance November 11th." No man hath greater love than this, to die to serve his friend. Did we, you and I, stop to remember those who paid the supreme sacrifice, that we might have our freedom.

Rev. R. R. Bonsteel gave a fine message based on "Remembrance" at the afternoon service at Mount Pleasant on Sunday afternoon.

Mrs. Marguerite McMullen is spending this week with her niece, Mrs. Stanley Galloway and Mr. Galloway, at Trenton.

Mr. and Mrs. Earl Dunkley and Mrs. Albert Dunkley spent the week-end with Mr. and Mrs. Fred Taylor, Toronto, and also visited Mr. and Mrs. Don Martin. Mrs. A. Dunkley remained for a week's holiday.

The regular meeting of Mount Pleasant Woman's Missionary Society will be held one week later, on Wednesday, November 19th, at the home of Mrs. Gordon Linn at 2 p.m. The annual election of officers will take place. This meeting was postponed as Bethel chose our regular W.M.S. date for their afternoon Tea and Bazaar and all the ladies here were invited to attend. The Mount Pleasant ladies are asked to bring their good used articles of clothing to the meeting on the 19th, so the supply bales can be packed soon and shipped.

GORDON YOUNG

LIMITED

Hello Homemakers! Homemakers always feel they have achieved good baking technique when their favourite hotbread recipe is most successful. Today there are an infinite number of kinds and flavours — all good — to serve for the family's special enjoyment. Let us suggest four kinds of hotbreads with different flavours.

1. Cinnamon Puffs are as delicious as they are handsome. They are yeast-raised buns and not so difficult to make as you might believe. In fact, all you need is a little care and a little faith in nature since the yeast sells must multiply so that the puffs rise. Yeast grows best in a warm atmosphere, but watch the time as well as the temperature! If the recipe says, "double in size" it means that, and the time of rising will depend on the temperature of the dough as well as the room.

2. Swedish Tea Ring is a variation of the old familiar tea biscuit. This delectable Scandinavian treat will always be successful when the dough is not too dry. As you knead, do not handle too much.

3. Apple Muffins keep moist and are rich enough to eat without butter. When you combine the ingredients mix only until the flour disappears.

4. Cherry Loaf is another recipe that's easy to prepare and wonderful to have on hand. Pour the batter quickly into your pan; do not spoon it in for best results.

Cinnamon Puffs

1 pkg. yeast granules
1 cup lukewarm water
1 cup milk
2 tbsps. sugar
1/2 cup shortening
1 tsp. salt
2 eggs, beaten
3 cups all-purpose flour
3 tbsps. sugar
1 tsp. cinnamon

Soften yeast in the water. Scald milk; add sugar, shortening and salt. Cool to lukewarm. Sift flour and add 2 cups to milk mixture. Beat well. Add yeast, eggs and remaining flour. Beat about 20 strokes. Cover and let rise until double in size. Stir down. Drop spoonfuls into greased muffin tins. Sprinkle with sugar and spice. Let rise about 30 mins., then bake in electric oven of 375 degs. for 20 mins.

Swedish Tea Ring

Use prepared biscuit mix or prepare tea biscuit dough. Roll it into an oblong about 1 inch thick and sprinkle lightly with brown sugar, pastry spice and currants. Roll from the long side like a jelly roll. Place on a cookie sheet or pie plate, forming a ring by pinching ends together. Cut

gashes, almost to the centre, about 1/2 inch apart. As you cut, turn each section on its side. Bake in electric oven of 375 degs. for about 25 mins.

Apple Muffins

4 tbsps. shortening
1/2 cup sugar
1 egg, beaten
2 1/2 cups all-purpose flour
3 1/2 tbsps. baking powder
1/2 tsp. salt
1 cup milk
1 cup chopped apple

Cream shortening, blend in sugar gradually. Beat in egg. Stir in apples and measured dry ingredients. Make a well in the centre and quickly stir in the milk. Fill greased muffin pans two-thirds full. Bake in electric oven of 425 degs. for 20 to 30 mins.

Fruit Bran Loaf

2 1/2 cups flour
4 1/2 tbsps. baking powder
2 1/2 cup sugar
1 tsp. salt
1 egg, beaten
1 1/2 cups milk
2 tbsps. shortening, melted
1 cup bran flakes
1 tsp. butter
1 cup brown sugar
1 1/2 cup marshmallows

Sift flour with baking powder, sugar and salt. Add bran. Combine beaten egg, milk and melted shortening. Stir into flour mixture. Melt butter in loaf pan (4 x 10), sprinkle cherries and some walnuts over butter. Pour batter gently on top. Bake in electric oven of 350 degs. for about 1 hour. Remove from pan at once.

THE QUESTION BOX

Mrs. L. D. asks: How to make Quince Jam?

Answer: Quince Jam is usually made using commercial liquid pectin or crabapples.

Quince Jam

5 cups prepared fruit
2 tbsps. lemon juice
7 cups sugar
1/2 bottle of pectin

Peel and core about 14 quinces. Grind. Pour into saucepan and add 1 1/2 cups water. Bring to boil, cover 15 mins. Measure 5 cups fruit into deep saucepan. Add lemon juice, and sugar; mix well. Stir while bringing to a full rolling boil for one min. Add pectin (Certo) and boil 1 min. Remove from electric element, stir and skim for 5 mins. Ladle into jars.

Mrs. C. J. asks: How to make Date Pie?

Answer: Cut 1/2 lb. dates into 1/2 inch slices and separate. Cover with water and simmer covered for 10 mins. Add 1 cup milk, 1/2 cup sugar, 1 tsp. flour and 1 beaten egg. Cool until

thick. Chill. Pour into baked 9-inch pastry shell. Spread with whipped cream.

Jean Campbell, 7, daughter of Sgt. and Mrs. F. K. Campbell, of Middleton Park, Trenton, lost her right leg below the knee when she slipped beneath a train Sunday.

The child was playing with her brothers, Kenneth, 10, and John, 8, and her sister, Karen, 9, near the CPR tracks about a mile and a half east of the Trenton station. Several trains passed in a short space of time and it was not known which one hit the child.

Donald Bronson, 10, of Crookston, and Marilyn Meeks, 16, of Plainfield, were treated at the scene by Dr. A. G. Allen, of Tweed. Miss Meeks has a fractured collarbone and internal injuries. Bronson received a spine injury.

Minto

(Too Late For Last Week)

The Pie Social sponsored by Salem United Church on Tuesday evening following their anniversary services, was well attended. Rev. B. Beckel acted as chairman for the programme which consisted of musical selections by Messrs. Delbert Sine, Lorne Hagerman, X. P. Mayhew and Mrs. Lindsay Tanner; a duet by Marion and Shirley Broadworth; accordion selections, by Miss J. Ingram, Menie; duet, Mr. and Mrs. Kenneth Broadworth; appropriate reading, Mrs. Ingram, of Menie. Mr. and Mrs. Bill Warren, of Kingston, staged a Puppet Show between the different numbers which made a most interesting programme. Rev. Beckel thanked everyone who had assisted with the success of the evening, after which a bountiful lunch was served consisting of sandwiches, cheese, pickles, every variety of pie and tea. The proceeds were very gratifying.

St. Thomas W.A. held a dinner and quilting at the home of Mrs. J. B. Hagerman on Thursday of this week.

The school was decorated with orange and black streamers hanging from the lights and braided at the windows. The room was darkened and Jack-o-Lanterns sat in each window, creating a spooky atmosphere.

Dale Hubel, acting as chairman, opened the programme, addressing the ladies and children with a "Welcome Song" by seven juniors, followed by "Welcome Recitation," by Louise Hubbel; "A Witch for Velvet Tom," by Maurice Wood; recitation, "Farmer Jones' Scare Crow," by Billy Fraser; Junior Chorus, "Jack-o-Lantern Gay;" recitation, "My Family," by Tommy Grills; recitation, "Gay Witches," by Imi Visser; solo, "Hallowe'en," by Donnie Armstrong; recitation, "Hallowe'en," by Doug McCrory; play, "Adventures on Hallowe'en;" recitation, Tinka Visser; school chorus, "Jack-o-Lantern;" recitation, "If You've Never," by Dawn Hubel; recitation, "Are There Ghosts," by Fred Keating; school chorus, "Lonely Little Robin;" and recitations by Ken Wood and Sharon Grills. Mount Pleasant W.M.S. Hosts To West Belleville Section

The women of Mount Pleasant United Church, under the leadership of a few members of the Woman's Missionary Society, served dinner to over one hundred persons on Wednesday, October 29th at the Church Hall, when the new chairs were first used. Seventy-five visitors from the various afternoon and evening auxiliaries in Belleville West Section attended the Autumn Rally at the Church. One afternoon auxiliary was not represented but roll call showed twelve afternoon, 3 evening auxiliaries and one affiliated society at Johnstown, with delegates present at the Rally.

The guest speaker was Miss Dorothy Young, B.A., Home Organization Secretary, who has just returned to Canada after eight months study abroad on the Kaufman Scholarship. She spent much of her time at Sally Oak College in England, and attended a Student Christian Movement Conference at Swanwich, visited the headquarters of several churches in Edinburgh and London and also spent a brief time in Paris and Geneva at the headquarters of the World Council of Churches. Miss Young gave a vivid description of many phases of Christian work throughout the world.

Mount Pleasant W.M.S. has twenty members and eighteen were present that day, however, some of them had very little time to attend the sessions. Seventeen other ladies from the community also assisted. As there was an abundance of potatoes, salads, jellies and pies, it was decided to hold a twenty-five cent supper at 7 p.m. for the community and over eighty adults and several children attended the supper. The day's proceeds was \$106.30 from the two meals and when expenses are paid the ladies of Mount Pleasant Church will have their allocation of one hundred dollars for the Building Fund of the new United Church Training School in Toronto.

The new section, "West Hastings," which came into being this spring has the following organizations: Thirteen afternoon auxiliaries, Aikens, Bayside, Belleville, Holloway, Centenary, Mount Pleasant, Scotts, Stirling, River Valley, Stone Church, Trenton Grace, Trenton King, Wallbridge, Wellman's; three evening auxiliaries, Belleville Holloway, Trenton Grace and Trenton King; one affiliated society, Johnstown; a total of seventeen groups with a combined membership of almost five hundred women.

Madoc Junction Mission Band Holds Meeting

Mission Band was held at the school last Wednesday afternoon. The programme was presided over by the Vice President, Miss Suzanne Gallagher. Secretary, Grace Clarke, gave the roll call. This was responded to by 27 members, with a verse of Scripture from the Book of Matthew. Joanne Reide, as pianist, accompanied the hymns from the Redemption Song Book in the absence of the Minister and regular song service. Thank offering was handed in and totalled \$2.70.

The story for the afternoon was given by the leader, Mrs. Warren Harlow, who also supplied the treat for the afternoon. Anna Mae Clarke sang a solo, "Tis Jesus All The Way." The programme closed with prayer and the hymn, "God Make My Life A Little Light," followed by the Mizpah Benediction led by Miss Chapman.

St. Andrew's Mission Band

The Mission Band meeting was held in the Church Parlours on November 8th, with a good attendance. The meeting opened with a game called "musical chairs," followed by the hymn, "Stand Up For Jesus." The Scripture Reading, found in the 5th Chapter of Matthew 1-12, was followed by the Lord's Prayer in unison.

The treasurer gave her report, which was very encouraging. Business was dealt with. The next meeting will be held on the 6th of December, one week early, on account of the Santa Claus Parade. This will be the Christmas meeting, in which everyone will take part. The collection was gathered by Gary Devolin and dedicated by Carol Farney. The hymn, "Standing By A Purpose True," was sung. A piano solo by Janet Johnston was enjoyed. The leader continued on with the study of the children of South America. Readings by Allan Johnston and Sally Fox were given. The hymn, "God Sees The Little Sparrow Fall," was sung. The meeting closed by repeating the benediction. A treat of candy from Mrs. E. Cain was enjoyed.

NEWS FOR THE BUSY FARMERS

Hastings 4-H Exhibits Top Ottawa Show

Hastings County 4-H Club Members put on an outstanding exhibition, at the Ottawa Winter Fair, in bringing honours to their home County, winning firsts in the Calf Club, Swine Club and Potato and Grain Clubs, as well as winning the reserve grand championship.

In the calf club show, in which over two hundred calves were exhibited, Ted Burnside, Madoc, was exhibitor of the Reserve Grand Champion Holstein Calf, and was a very close contender for the Grand Championship. Forty-two 4-H Calf Clubs in Eastern Ontario entered a group of three calves in the Holstein section, and Hastings captured first, fourth, and fifth on the three groups that were exhibited, from the County. The Madoc 4-H Calf Club with Douglas, Ted and Isabelle Burnside calves won first place in very keen competition, while in fourth were calves of the members of the Belleville 4-H Calf Club, namely: Wayne Harrington, Jack Vermilyea and Ivan Phillips. The calves of the Hungerford Club shown by Eva Martin, Phyllis Kleinstuber and Ross Bateman, placed fifth. This is the highest showing that Hastings has ever made in any similar show, and the members are to be congratulated.

Six gilts from the Hastings 4-H Swine Club were taken to the show, also, and in the group placing, Lyall Leavens, Corbyville, had his two gilts placed in the first prize group, as was one of Harold Harris' Madoc. The second gilt of Harold Harris placed in the second prize group as did the two gilts shown by Robert Bush, of Glen Mills. In the pairs, for the Championship, Lyall Leavens' pair of gilts stood next in placing to the Reserve Grand Championship pair, and his gilt also stood next to the Reserve Grand Championship Gilt. In addition, with the best three pair of gilts from all Swine Clubs in Eastern Ontario, Hastings placed second to the West Carleton County group of gilts.

In the Potato Section, Billy Krier, from the North Hastings 4-H Potato Club placed first, while in the same section, Frank Harry, Trenton, R.R. 5, placed first also, in the grain competition.

The expenses of these girls and boys were paid by the Ottawa Winter Fair, in cooperation with the Canada and Ontario Departments of Agriculture. Well over 400 young people were in attendance for the show on Friday, going to Ottawa on Thursday, and returning on Saturday.

The Hastings County group were under the supervision of Mr. J. A. Francis, Assistant Agricultural Representative, and Mr. A. O. Dalrymple, Agricultural Representative.

In addition to the above winnings, true type Holstein Models were presented by Mr. Frank Ryan, Owner and Manager of Radio Station C.F.R.A., Ottawa, to the Club members from the various clubs in Hastings County, as well as Eastern Ontario, who were high in all club work, excluding the award on the calf. There were as follows: Mohawk 4-H Calf Club, Ward Maracle; Belleville Kiwanis 4-H Calf Club, Lyall Leavens; Stirling 4-H Calf Club, Douglas Dettlor; Marmora 4-H Calf Club, Robert Lajoie; Madoc 4-H Calf Club, Ted Burnside; Hungerford 4-H Calf Club, Eva Martin.

The next main event in the 4-H Club picture of Hastings County will be the "Club Night," and all interested persons should keep watch for an announcement of when this event will take place.

Champion Plowmen On Way To Britain

Canada's two champion plowmen and their team manager left Montreal on Friday, November 7th by air to begin a month-long tour of the British Isles and take part in the British Ploughing Association national match at Falkirk, Scotland, November 12th.

The trip will be the first visit to the United Kingdom for all three: Algie Wallace, 35, of North Gower, Ont., champion horse plowman; Douglas S. Reid, 26, of Brampton, Ont., champion tractor plowman, and Roy Shaver, of Finch, Ont., team manager.

Wallace and Reid topped the field in their sections of the Esso Transatlantic Plowing Match held at Carp, Ont., last month. They will be the seventh team to make the trip as guests of Imperial Oil since 1946.

During their trip the Canadian plowmen will visit Scotland, Northern Ire-

land, Eire, and England. They will return on the "Queen Elizabeth" from England on December 8th and should arrive back in Canada on December 15th.

At the British Ploughing Association match they will compete against some of Europe's finest plowmen. The special overseas class in which they will plow will be conducted under a new set of international rules which has been tentatively accepted by Canada, Great Britain, Sweden, Holland, Eire and Finland. It is hoped that these rules will serve as a basis for proposed future world championship matches.

Select Scholarship Candidate

Hon. T. L. Kennedy, Minister of Agriculture, announced that Ronald Albert Cameron, Thamesville, Ontario, has been selected as Ontario's candidate for the T. Eaton Company Agricultural Scholarship to be awarded at the Royal Agricultural Winter Fair.

The scholarship will entitle one boy in Canada to attend the Agricultural College of his choice for a four year period provided the winner at least secures second class honours in each of the first three years.

Ontario's candidate was selected by a committee named by the Agriculture Minister. Winner of the scholarship will be selected from boys nominated by the various Provinces. All the boys will be interviewed and the final selection made.

Sixteen years old and possessor of an excellent scholastic record, Ronald has devoted all of his spare time to assisting in the operation of his father's Kent County farm. For many years he has been active in the Ridge-top 4-H Grain Clubs and this year was elected president of that organization. He has been an exhibitor of soybeans at the Royal Winter Fair for two years. He placed second in his class in 1950 and sixth in 1951. He also entered the high yield soybean contest in 1951 and placed sixth out of 23 contestants in Region 1.

In addition to his interest in farming, Ronald also finds time to take an active part in the affairs of the community. In 1952 he represented the Ridgeway Rotary Club at the Ottawa Rotary Club's "Adventure in Citizenship" panel. His selection at that time, was based on his leadership in good citizenship and his academic standing. In his brief but busy life he found time for the normal athletic activity of youth, participating in baseball, track, soccer and hockey. In addition, he is an officer in the school cadet corps and has won awards for marksmanship.

Statue In Butter To Honour Minister

Exemplifying in no small degree the interest he has taken for many years in the dairy industry of Ontario, a life-sized model of Hon. T. L. Kennedy, Minister of Agriculture for Ontario, executed in butter, will be one of the features of "Dairy Lane" at this year's Royal Winter Fair.

Planned by the Ontario Cream Producers' Marketing Board, in co-operation with the Ontario Cheese Producers Association, the Ontario Concentrated Milk Producers Association, and the Ontario Whole Milk Producers League, the sculpture will be the work of Roy Smith, of Toronto, well known for his work in clay, but who is making his debut in the unusual medium of butter.

The Cream Producers Marketing Board selected Hon. Mr. Kennedy as their subject for this year's display as a tribute to his contribution to the dairying industry and agriculture as a whole.

The work will show the Agriculture Minister standing before an actual sized table with a cornucopia in his hand from which various dairy products are spilling to all parts of the world. Both the life-sized figure of the Minister and the table will be carved from solid butter, many hundreds of pounds of Ontario's best quality products going into the project. To the rear of the Minister will be a plaque bearing pertinent facts on the tremendous importance of dairying and dairy products insofar as the economy of Ontario, and Canada generally is concerned.

Work of the sculptor, by reason of the perishable nature of his medium, will be carried out in a "refrigerated" studio. It is anticipated that some 50 hours of intense work will be needed to bring the display to completion.

It will probably be Mr. Smith's last

creative effort for some time. Recently completing a theological course, he and his wife expect to leave Canada shortly to engage in missionary work in India.

Notified of the intention of the Ontario Cream Producers Marketing Board to pay him tribute, Hon. Mr. Kennedy expressed appreciation of the honour being paid him.

"I have long been cognizant of the tremendous impact the dairying industry has on our provincial economy," said the Minister. "The products of the dairy industry rank high in farm income. The Ontario Department of Agriculture in the future, as in the past, will continue to do all possible encouragement to an industry so vitally affecting all the people of the Province."

Pine Grove W.I.

Pine Grove Women's Institute met for its regular monthly meeting at the home of Mrs. B. Searles, Oak Lake. Mrs. H. Dettlor presided and there was a good attendance of members.

The answers to the roll call, "What can I do to be a better citizen?" emphasized following the golden rule, "Do unto others as you would have them do unto you," and the intelligent use of the franchise.

The canvass for the National Institute for the Blind resulted in \$19.95 being collected. Ten dollars was voted towards the Belleville Red Feather campaign. A social evening is to be held in the school on November 10th under the convenship of Mesdames Brown, Johnston and Coulter. Mrs. F. Finkle noted items of particular interest in the Home and Country Magazine.

Current events, prepared by Mrs. A. Finkle were read. Mrs. G. Bartindale, delegate to the Belleville Area Convention, gave her report on that convention. It was decided to hold the November meeting in the evening rather than the afternoon and Mrs. John Brown offered her home for the occasion.

Mrs. H. Coulter, convener of Citizenship then took charge of the programme. Mrs. L. Finkle read, "Found on Peace." Canada might seek to draw to the attention of other nations in the year 1952, the historical fact that she was born in peace. Canada could not have achieved nationhood peacefully had it not been for the determination of all those concerned to find a formula whereby differences could be quietly settled for the sake of both the present and the future.

The convener chose as her topic, "Everyday Citizenship." Every woman is apt to ask herself this question, "Am I a good citizen?" Some of the questions which might help answer this important question are: Are you a good person? Are you a good wife? If you're a mother are you a good one? Is the home in which you live happier for your being there? What kind of friend and neighbour are you? Are you a community worker? Do you belong to at least one women's organization? Do you go to church? Do you help those less fortunate than yourself? Do you vote, and if so, do you vote intelligently?

Mrs. G. Bartindale read a humorous article, "Never The Twain Shall Meet," which showed that people are not Ontario citizens or Saskatchewan citizens or New Brunswick citizens, but rather Canadian citizens. A Canadian facts quiz closed this part of the programme.

Following the singing of the National Anthem, refreshments were served by the hostess and committee and a social half hour was enjoyed. The District President, Mrs. Geo. Burkitt, is to speak at the November meeting.

ing street length steel blue, spun silk dress, with navy velvet accessories, and she carried a nosegay of pink roses and yellow and mauve 'mums.

For the wedding trip to Kingston and other eastern points, the bride wore a navy blue suit and hat and corsage of white caryatids. The happy couple will take up residence in Rawdon United Church Parsonage at Stirling, about November 1st.

A graduate of Simcoe High School and of the University of Toronto 1950, the bride also studied at the Union Theological Seminary, New York City. She has served in United Church work camps in Ontario and in a World Council of Churches Work Camp in Europe. In the summer of 1950 she directed christian youth caravans for the United Church of Canada. While in New York City she did post graduate work at the Union Theological Seminary.

St. Andrew's W.M.S.

The November meeting of St. Andrew's W.M.S. was held at the home of Mrs. Ken Ray with a most encouraging attendance. The President, Mrs. L. Rodgers, expressed a hearty welcome to the visitors as well as the members. Mrs. L. Dafee read the Scripture Lesson from Psalm 51. The sacrifices of God are a broken spirit; a broken and a contrite heart, O God Thou wilt not despise. Mrs. Rodgers led the meeting in a prayer of Remembrance for our departed heroes.

Mrs. W. L. Munro conducted the roll call. Sacrifice was the key word. A fine response followed. Mrs. Munro read the minutes of the last meeting. Mrs. E. Cain read the slate of officers for 1953. Mrs. W. H. V. Walker wished to add the name of Mrs. Blanche Reid as Library Secretary for the Society. It will only be with the co-operation of every member of the Society that this great task may be accomplished. Great things are wrought by prayer. Mrs. Blanche Reid took up the offering. "As we give to the Lord so shall our work prosper."

Mrs. R. H. Williams read a hymn on Remembrance. Miss Gena Spry gave a reading on the sacrifice of thanksgiving. Mrs. Vernon Matthews played a piano solo. Mrs. L. Dafee led the meeting in a prayer of remembrance.

The topic on remembrance was taken by Mrs. K. Ray. Today we remember with pride and joy and sorrow the men who gave their lives in the two great wars. In tens of thousands of Canadian families no official prompting is needed to stir their memory. Where the bright image of a fallen son, husband or brother is cherished, November 11th brings no sharper pang than any other days. They fought for their country's safety and for victory but they also fought for peace. There is profound truth in the words which may be read over a war cemetery in the Middle East, "We gave our today for your tomorrow."

Mrs. R. H. Williams, as Glad Tidings Secretary, took subscriptions for the new year. A piano solo by Miss Carol Ray received much applause. The meeting was closed by all joining in the benediction.

Mrs. Ray and Miss Gena Spry served afternoon tea, assisted by Carol Ray and Janet Johnston. Mrs. Don Farney expressed the gratitude of the Society to Mrs. Ray and her helpers for the fine meeting.

St. Paul's W. A.

The regular meeting of St. Paul's W.A. was held in the Church Parlours on Tuesday night, November 4th, with a splendid attendance. The meeting opened in regular form with Mrs. A. Wells presiding. Minutes were read and adopted and correspondence dealt with. Two invitations from sister societies were accepted to meet with them at their tea and bazaar, one at Eggleston and the other at Bethel. A letter in regards to deaconess work was read and it was decided to send \$5.00 to further this work in Toronto. The Good-Will Secretary, read several "thank you" cards and letters. Mrs. Jeffrey reported sending a Christmas parcel to Ken Black, now in Korea. During October the Calling Committee made 23 calls. Mrs. Guy Bradshaw and Mrs. R. Duffin will call for the month of November. The executive of 1952 was named as nominating committee and will bring in a new slate of officers at the December meeting.

Mrs. Volney Richardson presided over a very interesting programme, opening with hymn 556, followed by Scripture and prayer by Mrs. M. Rose. Mrs. F. Jeffrey, accompanied by Mrs. H. West, sang a lovely solo, which everyone enjoyed. The highlight of the evening was a talk on "Library in a Community," by Mrs. Gordon Bailey, who in a very pleasant manner described the duties of the Library Board, and outlined the local library since the time it was held in a room of a building owned by the late W. S. Martin, until present date, where it is now one of the finest libraries of its size in the Province, with the choicest of books to suit the individual from a pre-school age child to an adult. Several paragraphs of favourite books were read by Mrs. Bailey, Mrs. Richardson and Mrs. O. Stapley, which added to this educational address.

Mrs. Macklin voiced the thanks of the W.A. to Mrs. Richardson and her group for a fine evening's programme; and also to the guest speaker. Following benediction lunch was served and a social half hour enjoyed.

World Champion Match A Possibility For Canada In 1953

Wide interest, stimulated in great part by the tremendous success of the "International" plowing matches under the direction of the Ontario Plowmen's Association, is likely to result in the holding of a "World Championship" match in 1953 at which representatives of many countries are expected to compete.

Following the second annual British Ploughing Association match to be held at Falkirk, Scotland, on November 12th, at which Ontario will have two entrants, plans for the creation of a match on a world-wide scale will be furthered. Up to the present seven countries have associated themselves with the Provisional Governing Board which has set up the necessary machinery and tentative rules for the contest.

Of particular interest to Canadians is the fact that there is a strong possibility that the first world-wide match will be held on Canadian soil.

Mr. J. D. Thomas, former County Match Chairman, and well known conservationist, has been appointed by the Ontario Plowmen's Association to represent that organization at the world conference. Mr. Thomas will extend an invitation to the governing body to hold the first "world" match in Canada.

A conference on the proposal to set up the world-wide match was held in England last year, and the following nations were represented on the provisional board, in addition to Canada,

Carmel Dedicates War Memorial Col. Lambert Delivers Sermon

Members of Stirling Branch
Canadian Legion Attend In
Body — Impressive Service

"They shall not grow old — as we
who remain grow old. Age shall not
with them nor the years condemn.
At the going down of the sun and in the
morning we will remember them."
— Benyon.

Last Sunday "at the going down of
the sun" the war dead of two wars,
only three in number, but with the
rites used in the tribute to thousands
were honoured by a large congrega-
tion, including next of kin and a score
of veterans of the Stirling Branch of
the Canadian Legion, who gathered at
the "Church of the Prophets" Carmel.

Memorial Unveiled

A striking tablet of carrara glass,
hand carved by Mr. A. C. Campbell, of
Belleville, was unveiled by Mrs. Louise
Anderson, who released the cord
which held a large Union Jack cover-
ing the memorial. Mr. Russell Pyear,
a veteran of World War II, placed two
wreaths of poppies and maple leaves,
one associated with each World War.
Mrs. Lorne Brooks presented the tablet to
the Trustee Board on behalf of the
congregation and Trustee Joseph
Grills accepted it. The memorial was
then dedicated by Col. Lambert, who
was followed by the Minister, who of-
fered the Dedication Prayer. The
names Sidney Sanford, World War I;
Arden Loshaw and Roy Conley, World
War II, were read by Arthur Pyear,
Veteran of World War I. Bandmaster
Wm. Aylsworth, of Madoc, sounded the
Reveille and Last Post. Between these
calls a period of silent memory was ob-
served. The National Anthem was sung.

The Great Cost

In a heart-throbbing message the be-
loved Padre Col. Sidney Lambert,
O.B.E., related the cost of war in
human sacrifice, pain and sorrow. He
graphically pictured the thousands of
war cemeteries stretching half way
around the world as well as those in
unmarked graves especially of the air
and naval forces where sleep over
2,000,000 British dead. He declared the
present so called "cold war" in Korea
had taken 134,000 lives. The notable
work of the nursing sisters and the
gallant battles of dying men in our
military hospitals were not forgotten.

These paid the price "the great cost"
for God and home and the things we
hold dear. To this Padre, Heaven is a
very real and precious place. He con-
gratulated the little church on its fine
memorial, a fitting tribute to those
who gave their lives — those who
challenged us to serve whenever we
were given a chance in every day living.

Special Praise

The Carmel Choir, under the leader-
ship of pianist and director, Mrs.
Arthur Pyear, were commended by
Col. Lambert. The anthems were, "The
Noble Dead" and "Sleep Comrades
Sleep." Douglas Pyear, tenor, sang
"The Trumpeter."

Memorials

A beautiful memorial basket was
placed before the Holy Table by the
parents and loved ones of Pilot Officer
Roy Clifford Conley, R.C.A.F., killed
in action over Germany on December
29th, 1944. In the Silver Jubilee Hall
a series of symbolic white crosses
were placed in a garden where poppy
flowers were scattered. A black back-
ground was erected below an unfurled
Union Jack. A public address system
was kindly loaned by Mr. Maurice
Bell.

Mr. Fred Houchin, President of the
Stirling Branch of the Canadian
Legion, read the First Lesson, "Song
of the Fathers." Rev. W. S. Irwin pro-
nounced the benediction.

Report of Area Convention Given Stirling Women's Institute Meeting

The regular meeting of the Stirling
Women's Institute was held on Novem-
ber 12th, at the home of Mrs.
Elizabeth Foster with 16 members in
attendance.

Mrs. P. Bronson presided and the
roll call was responded to by "What I
would serve to unexpected guests."
Two dollars was voted to Mrs. E. B.
Finkle, District Treasurer for West
Hastings, to help get spoons for girls
who take part in club work. It was
decided to send Mrs. J. E. O'Donnell
a box of fruit as she was a great work-
er in the local organization in past
years.

The programme convener, Mrs. A.
Gordianer, presided for community
singing. The report of Belleville Area
Convention was given by the delegate,
Mrs. Louis Rodgers. The theme of the
Area was "From A Silvery Yesterday
To A Golden Tomorrow." It was the
twenty-sixth annual convention of the
Women's Institute from the combined
districts of Hastings, Prince Edward
and Northumberland and opened on
Thursday morning at the Masonic
Temple, Belleville, and continued for
two days. The chairman addressed the
audience briefly, stating that the
secret of progress lies in looking back
over the past and learning for the
future. The great and worthwhile
things are brought about by vision,
planning and toil. By keeping the
high standards of the Institute, better
education and health have been
achieved, and in this way members
had become better citizens.

Mrs. Purcell, Provincial President,
covered a great many phases of Insti-
tute work in her address. She men-
tioned the W.I. holidays at Guelph,
where seventy-five women stayed all
week; also the holiday held last
August at Kemptonville. These holidays
have become a feature for Institute
members. She also told of the tractor
and equipment given Greece. The
tractor will serve 178 families. When
the tractor arrived there were speech-
es and blessings by the priest. The
pride of possession on the faces of the
recipients was worth all the efforts
and the people of that village rever-
ence the names of the Women's Institute.

Another important event of next
year will be the Associated Country
Women of the World Convention in
Toronto on August 12th to 23rd. As
hostess to that organization, the
members will have a great responsi-
bility as eight hundred to a thousand
delegates are expected from many
countries and the opening day will be
Canada Day.

The evening session opened with
demonstrations of girls' work and a
skit, "Hate Off To The Past," was
presented by several members of the

ON Friday evening the home of Mr. and Mrs. Geo. Watson, of Wellman's, was the scene of a happy gathering when members of the Wide-Awake Sunday School Class met to honour Edgar Graham and his bride, formerly Eleanor Thompson, of Springbrook. There were forty in attendance including the parents of the bride and groom, Mr. and Mrs. Kenneth Thompson and Mr. and Mrs. Victor Graham. Miss Marie Vanderburgh presided over a short programme. Readings were given by Annie Dracup, "Marry The Girl," and Mrs. Fred Beckett, "Watchin' the Sparkin'." Craig Watson sang, with guitar accompaniment, "For Ever and Ever," after which a musical contest was conducted by Mrs. Lorne Watson, and a contest and game by Mrs. Burton Morton. Glenn Watson read an appropriate address and Jack Dunham presented a "Coronet" double boiler to Edgar and his bride. The groom made a most fitting reply thanking the donors for their lovely gift. Belleville Area Women's Institute Holds Convention at Belleville

(By Florence MacMullen)

This report has been written by special request in order that it may be presented in the "Tweedsmuir Histories." Each Institute can add the names of any of those fifty ladies who attended the first convention in 1926 from their own branch.

At the 1951 area meeting two reports of the first area convention held in Belleville were read. These reports had been prepared by the late Mrs. Will Hanna and Miss Flossie Rosebush, of the River Valley Branch. It was requested that those in charge had not known of this milestone in 1951, however, they made plans to celebrate this important event at the 1952 Convention.

At the Spring Executive this year the idea took on a new status when Mrs. Carl W. Clancy, Area Chairman, and Mrs. Roy Bush, of the River Valley Branch, were appointed to arrange a suitable skit of some kind that would portray the vast improvement

in 25 years Institute work in the Belleville Area. Mrs. Bush had just completed her term as President of West Hastings District, and she has been keenly interested in Institute work for several years.

Skit Begins To Live

Early in the summer Mrs. Bush jotted down various ideas for this portrayal while Mrs. Clancy busied herself gathering the exact details. My September the skit, "Hats Off To The Past," began to live.

Mrs. Sheldon McIntosh and Mrs. Percy MacMullen of the River Valley Branch gave a bit of advice here and there, and Mrs. MacMullen's daughter, Mrs. Sid Demorest, of Stirling, assisted with the preparation of copies for the various participants. The section on "Hospitality" was given over to the members of River Valley Branch in order to give them a chance for some practice. Mrs. Bush also made the "Friendship Links," and was on hand to direct and assist on Thursday even-

ing, October 16th, when approximately 400 ladies viewed the presentation.

Several pictures were taken during the evening and many of the participants were delighted to have an opportunity to see the finished print on Friday, October 17th. Several were purchased for "The Tweedsmuir Books" as well as for personal mementoes of this 25th celebration.

Changes In 25 Years

Most of this skit was impromptu and it was arranged in several sections. The idea was to bring out some of the changes, that have taken place in the Women's Institute work in the past 25 years of area conventions held in Belleville.

Mrs. Bush and Mrs. Clancy decided that by creating a bit of "drama and fun," the audience would enjoy the evening much better than if it were given as a detailed report.

Mrs. Carl Clancy, Area Chairman, introduced the commentator, Mrs. Ross Bush, Consecon, who gave several interesting by-lines as she travelled along with the skit. She said in part, "Now ladies, let us relax and be merry and make ready for the past to appear, for I want to recall the foundation laid in our first convention held."

Father Time, in the person of Mrs. Sheldon McIntosh, with suitable costume and stove-pipe hat, said in part, "Little by little, year by year, your aims and achievements make or mar your Women's Institute work."

A member of the Women's Institute, Mrs. Percy Utman, wearing a deep blue satin sash lettered in gold, asks father time to halt and let us view the past 25 years. She quotes Mrs. Purcell, who said last year, "Where are we? and where are we going?"

A past chairman, Mrs. Roy Badgley, of Shannonsville, introduced the chairman of the first convention, Mrs. M. B. Weese, Belleville, who presided at the area meetings in the City Hall, Belleville, on October 26th and 27th, 1926 when there were 300 delegates. Mrs. C. A. Bleeker, Marmora, was elected press secretary; Mrs. G. P. Clarke, Brighton, convention secretary, and a banquet was held in the Queens Hotel for 310 delegates free of charge. The cost of same was made up from donations from towns and individuals and Belleville Cheese Board donated \$100.00.

At that time, there were no banners but now each district has one with names of branches prominently displayed.

Area Presidents

The Area Presidents for the 25 years are: Mrs. M. B. Weese, Belleville; Mrs. W. R. Grass, Foxboro; Mrs. W. R. Munroe, Demorestville; Mrs. Clarence Holmes, Belleville; Mrs. H. Wicks, Cobourg; Mrs. J. Bailey, Eldorado; Mrs. James Black, Warkworth; Mrs. Ross Bush, Consecon; Mrs. W. A. Hoskins, Cobourg; Mrs. Roy Badgley, Shannonsville; Mrs. K. Paul, Belleville, and Mrs. C. W. Clancy, Harold, R.R. 2.

The Secretary, Mrs. Harold Phillips, Belleville, was dressed to represent Mr. Putman, the first superintendent of the Women's Institute. She explained that now ladies are directors, first Miss McDermaid, then Miss Mary Clarke, and now Miss Anna P. Lewis.

The District Presidents who served 25 years ago were as follows: West Northumberland, Mrs. Deviney; East Northumberland, Mrs. McCulloch; East Hastings, Mrs. Fargy; Prince Edward, Miss Barker; West Hastings, Mrs. E. B. Finkle; North Hastings, Mrs. George Luery, Stirling.

The first convention committee were Mrs. M. B. Weese; Mrs. James Deviney; Mrs. R. C. Allen; Mrs. Jas.

St. John's News

At Church School on Sunday, many of the pupils brought their offerings for the new church floor. It was cute to see them and to realize that they knew and understood all about the effort.

At Matins, there was a large congregation, and many special envelopes were on the plate. The project is gaining momentum. A cement floor was laid in the little vestibule at the entrance to the chapel, which has always been an eye-sore. Tile will go over this cement.

The ladies of the Guild very kindly gave the pews a thorough washing last week, and they look much better for it.

The kneeling benches will be placed in hinges so that they will not mar the floor.

The Junior Choir sang very sweetly again on Sunday. The Hymn was "Standing In The Market Place," adapted by Geoffrey Shaw from an English Melody.

The Missionary Society of the Church in Canada, celebrating its Diamond Jubilee, calls on church people to give thanks this Sunday for God's blessing on the work already accomplished, much of it was pioneering work, and for the work there is yet to do. "By our prayers and offerings we can help to spread the Gospel to the many who have not heard of it, and to bring the church's services and ministrations to hundreds who live in isolated places."

Garbutt; Mrs. Jas. Fargy; also three Belleville ladies, Mrs. J. A. McFee, Mrs. Woodley and Mrs. W. C. Mikel.

Mrs. C. F. Robertson, Provincial President, at that time spoke on "Accomplishments and Responsibilities of the W.I." There were 1005 branches in Ontario and 3,500 members. Mr. H. J. Clarke spoke on "Township School Boards," as he was Public School Inspector in 1926.

Mr. Ray Atkins was Hastings Agricultural Representative and he spoke on, "How To Co-operate." Miss Emily Guest, Dept. of Agriculture, spoke on "Program Planning," and suggested having a local doctor, lawyer, dentist and banker to address W.I. meetings.

At this juncture, Mrs. Clarence Holmes, Belleville, a past provincial president, told of the great advances over the years, both in Branches and membership. Belleville Area has 68 Branches. Mrs. D. Jackson, of Woodrus, was the first Board Director.

Miss Ethel Chapman, the new editor of "Home and Country," was in charge of girls work 25 years ago. Miss Chapman spoke briefly and compared the early days with 1952. She said all along the way the Institutes had met the problems of that particular year.

At the closing session of 1926, the late Mrs. J. A. McFee, presided and gave an interesting account of the Belleville Playgrounds which originated 12 years previously when the Institute was operating in Belleville.

Board Directors
The board directors for the 25 years have been as follows: Mrs. D. L. Jackson, Woodrus; Mrs. A. Shaw, Stirling; Mrs. W. Haggerty, Cherry Valley; Mrs. Harry Murphy, Belleville; Mrs. Fred Denyes, Brighton; Mrs. T. L. Nickle, Madoc; Mrs. C. W. Holmes, Belleville; Mrs. H. Wicks, Cobourg; Mrs. Ross Bush, Consecon; Mrs. A. Mitchell, Belleville; Mrs. Jas. Black, Campbellford; Mrs. E. Irwin, Campbellford.

Miss Anna P. Lewis gave this report in the summer issue of "Home and Country," saying that in 1952 there were 1400 senior W.I. and 81 Junior Branches, a total of 1481 branches with 45,767 members.

Section three was more humorous and the commentator told of a speed of 30 miles per hour being considered excessive when cars were still counted a luxury in most farm communities. Every farm still boasted a horse and buggy. Then radios, telephones, and daily mail delivery added to rural living. In those days there was a big difference in the styles and fashions of country and city while today there is no difference at all. At the time of the first convention it was quite a trip to pack a telescope suitcase and travel to Belleville for two days.

Telescope Travelling
Mrs. M. Rutherford, Colborne, demonstrated an overnight bag packed by Mrs. C. W. Clancy, showing the large array of clothing carried in 1926.

Mrs. Gordon McCubbin, Warkworth, first vice chairman of West Northumberland, travelled light to the 1952 convention with all her feminine equipment in a large sized handbag. Both ladies displayed the various articles and were glad they did not live in grandmother's day.

The commentator remarked, "I wonder about the next generation, what kind of a bag will they take?"

Section Four
In 1926 prizes were given for classes of exhibits such as programs, baking. (Continued on page Seven)

"There are some things every generation has to learn for itself."

Every one of us wakens every morning more ignorant than we were the day before, because so much has happened since we went to sleep.

Sin has a way of selling us down the river.

God pity the man whose chariots have ruined his feet.

Blessed is the nation that can compel its misfortunes to pay a profit.

God does not always go to the big houses for great men.

It is possible to worship God in the wide and open spaces, but comparatively few people do it that way.

God may be found on the golf links on Sunday morning, but very few go there for the purpose of finding Him.

It takes very few Philistines to frighten some Christians.

Happy is the man who can hold his peace when the worthless prove to be insulting.

It is difficult to govern a people who have never learned to govern themselves.

A nation which does not teach its children to obey has guaranteed them moral decay.

David survived because he knew how to keep his head when he needed it most.

No house is ever big enough to be a home if jealousy is a guest.

When big men fail it is usually an inside job.

David is an example of one who made a great success of his public life and failed inside his own family.

No wounds are ever so deep as those which are inflicted by someone we love.

If we had more singing Christians we would have more seeking sinners.

Many a man like Solomon has been given a reputation he did not earn.

The judgments of time are relentless.

Many a man with great abilities has a small heart.

There is a tolerance which is nothing more than the lack of any real conviction.

Bible Sunday
On November 30th at 7.30 p.m. a special community Bible Service will be held in St. Andrew's Presbyterian Church, Stirling, to be addressed by the Rev. Egerton Young, Field Director of the Upper Canada and the British and Foreign Bible Society.

Mrs. Harper Rollins, the devoted Secretary, will send out an invitation to those reached through the Stirling Post Office. It will contain an envelope for a special gift to this great cause. If every family would aim to make it a dollar shower (of course some may do better) the work of distributing the word of God would get a real lift from the people of Stirling and its environs.

Plan to attend this great service where the sound film, "The Bible on the Table," will also be shown.

Jehovah's Witnesses
At an assembly recently held in Buffalo, members of this society were told "they should give 100 hours of full time service per month to the work of the society even though it meant spending only three or four days a week at their secular jobs." Note: Perhaps some regular church members could improve upon their monthly contribution of time to the Lord's work?

Roads and Signs
We are told that mining operations near Marmora give promise of a greatly increased railway business. There are several crossings made by this railway line without adequate warning signs or wig-wags. Steps might be taken to have these installed.

Road Patrol
Our thanks to the Superintendent and crew that cares for Highway No. 33 between Stirling and Frankford. They are often seen on the job and are to be commended for the care bestowed on this Highway.

Stirling's Welcome Signs
Descendants of the scandals appear to have severely damaged the welcome sign on Highway No. 14, approaching Stirling from Belleville. This is a senseless type of pranksterism. The Ridge Road sign might be also reconsidered.

Rawdon Bridge
On Highway No. 14
The main bridge approaching Stirling's business centre might well be the place of a serious accident unless early corrective action is taken. The creek side of the road supporting wall on the north is weakened — frost or extra heavy traffic might cause it to give way. A depression is already visible on the nearby road.

First Pentecostal Church, Belleville
The Pastor and congregation of the First Pentecostal Church, Belleville,

are to be congratulated upon the vision and sacrificial interest which has made possible their attractive church now nearing completion on Highway No. 14 entering Belleville. We understand that practically all of the work has been done by volunteer labour under the participating and dynamic leadership of their Pastor.

Church Union
The Church of England in Canada (Anglican) and the United Church of Canada will continue conversations looking toward ultimate union.

The recent meeting of the General Council of the United Church of Canada expressed the following resolves:

(1) To continue to welcome to the fellowship of the Lord's Table in all United Churches those who have been Confirmed and are in good standing in the Church of England in Canada.

(2) To participate in periodic (possibly annual) exchanges of pulpits between ministers and clergy of both churches.

(3) To confer and co-operate as regards the locating and establishment of churches in new housing areas and new industrial and mining communities, and in the development of community churches, possibly on the basis of double affiliation.

(4) To engage in conversations at local levels as regards local co-operation and the larger issues involved in ultimate union.

(5) To extend the co-operation developed in such matters as Holy Week, Week of Prayer, observance of special occasions and holiday arrangements.

(6) To welcome fraternal representatives at all levels of church government.

Work Proceeds At St. Paul's
(1) The contractor is busy with the church auditorium. Re-opening Sunday, December 14th.

(2) The electricians have the new wiring well advanced for new lanterns in auditorium.

(3) Under Mr. Hector Eggleton, a splendid group of volunteers have strengthened piers, torn up and are now relaying and providing for a second floor in the Sunday School Hall. Vents have also been installed.

(4) Exterior painting well advanced.

The Parsonage
(1) The dying spruce tree on the lawn has been cut down.

(2) The verandah was reshingled and repairs made sometime ago.

(3) Mr. W. Spencer has recapped the two chimneys, laid a new step and tuck-pointed the house.

(4) Hatton Hardware have repaired pipe leak and cleaned furnace.

(5) Cistern and eavetroughing remains to be cared for.

Choir Practices
(1) The Royal Choir practices in

the School play room during renovations at the church. The co-operation of school authorities is appreciated.

(2) The Senior Choir practices at the parsonage.

(3) Both choirs are majoring on Christmas praise.

(4) Carmel held special choir practices for Remembrance Sunday and will also arrange practices for special Christmas music.

In Loving Memory
Two large music copies of the Hymnary were presented to St. Paul's Choir last Sunday in loving memory of the late Harry Potter, the gift of his sons, Grant, Carl and Jack.

Lets Get The Names Right
An attractive sign erected in the triangular evergreen bordered park near McIntosh & Wells Garage reads, "Coronation Park," planted by the Stirling Horticultural Society assisted by students and citizens, 1937. The last issue of the News-Argus dealing with vandalism referred to Coronation Park as at Victoria and Edward Streets. This would seem to be Victoria Park unless the Coronation Park sign has been wrongfully placed? What is the name of the Playground Park adjoining the King George High School? What is the correct name for the Park at Edward and Victoria Streets? Is the present sign locating Coronation Park correct? Perhaps some civic official or in-knowledge resident will help us to get the names right?

Sister of Sidney Mason Dies
Stirling and district friends extend sympathy to Sidney Mason of town in the loss of his sister, Mrs. Anna Bonter, of Marmora, whose death occurred on Friday afternoon of last week at the home of her daughter, Mrs. D. B. Sanderson, Marmora. The deceased woman, who was 82 years of age, had been in failing health for some months though making surprising rallies at times. She was the daughter of the late Mr. and Mrs. Levi Mason and was born near Springbrook.

Following her marriage to Robert Bonter, she went to reside with him on property on the shore of Crowe Lake, close to where the Booster Park was later established. She had a delightful personality for all to meet, being of a kind and sympathetic nature, and deep sympathy for those who mourn her departure will be extended by a large circle of friends. Her husband died on November 22nd, 1947, and since his death she has resided with her daughter at Marmora.

Mrs. Bonter was an active member of Marmora United Church as health

permitted. She was a member of three of its organizations, the Woman's Association, the Woman's Missionary Society and the Glee Club.

Surviving are a son, William, of Marmora Township, and four daughters, Mrs. Charles (Gladys) Bailey, of Marmora Township; Miss Vera Bonter, Ottawa; Mrs. E. (Ila) Smith, Niskarn Falls, N.Y., and Mrs. D. B. (Bernice) Sanderson, of Marmora. She is further survived by one brother, Sidney Mason, of Stirling, and two sister, Mrs. Moley Sine, Vancouver, and Mrs. William Haslett, of Bulyea, Sask.

The funeral took place on Monday. Service was held at the home of her daughter, Mrs. D. B. Sanderson, at 2.30 p.m. Interment took place at Marmora Protestant Cemetery.

Brig. Gen. A. E. Ross Former Kingston M.P. Dies In His Sleep

Brig. Gen. Arthur Edward Ross, former Member of Parliament for Kingston and director of medical services for the Canadian Forces in France in World War I, died in his sleep in hospital at Kingston Friday night. He was 82.

A former health minister in the Ontario Cabinet, he later entered federal politics and was elected Conservative member for Kingston city in 1921, being re-elected in the general elections of 1925, 1926 and 1930. He retired some time ago.

A medical doctor who graduated from Queen's University and served on the teaching staff there at one time, Brig. Ross left his practice at the age of 29 to enlist with the Canadian forces going to the South African War.

Returning to Kingston, he became an alderman of the city, from 1905 to 1908, and became mayor in 1908. He was elected to the Ontario Legislature in 1911 by acclamation. He served overseas for four years as officer commanding the 1st Canadian Field Ambulance, assistant director of medical services of the 1st Canadian Division, deputy director of medical services for the Canadian Corps and finally as director of medical services for the Canadians in France.

During his First World War service he was the first to find a prevention of trench feet and the effects of mustard gas and was the first to use light railways in the evacuation of wounded.

A native of Cobden, Ont., he is survived by his widow and two sons, Dr. E. Ross, of Oakville, Ont., and Donald Ross, of Trenton, Ont., formerly of Stirling.

River Valley W.I. Pie Social

On Friday evening, November 14th, the entertainment committee of River Valley Women's Institute, sponsored a very successful pie social at the school house.

About thirty members of the Institute with their families were present as well as several other folk from the Valley. Approximately 80 adults and 50 children enjoyed together an evening of fun.

Mrs. Bob Philp is leader of the entertainment committee with Mrs. Jack Bush, Mrs. Gerald Brooke and Mrs. Harry Vandervoort, members of her committee. The adults were asked for a quarter apiece and all the children were admitted free. Later the children were each given a bag containing an apple, candy and other confectionery as a gift from the Institute in lieu of their Halloween Party which was cancelled this year owing to the death of a charter member.

At 9 p.m. Mr. Bob Philp took the chair and welcomed the large number who had gathered. Mrs. Harry Morrow presided at the piano and all sang "O Canada." Misses Joanne and Grace Heasman, with their mother, Mrs. Geo. Heasman, as accompanist, sang "Merry Oldsmobile." Mrs. Percy MacMullen

recited, "The Inventor's Wife," and for her second number she gave, "How A Married Man Sews On A Button." Mr. Kenneth Morrow and Mr. Jack Bush delighted with two musical numbers, piano and trombone. Mrs. Ross Bush read a humorous story, "You And Your Bees."

The pupils of the River Valley School delighted with a three part number, "Nursery Songs," by the juniors; "Bye Baby Bye," by intermediates; and "Beautiful Land of Spring," by the seniors, with Miss Grace Pitman, A.T.C.M., of Stirling, musical director, as their accompanist.

Miss Eleanor Bush read a prose article and a poem by Edna Jacques entitled, "Patchwork Quilts." Miss Rose Anne Vandervoort contributed a piano solo.

Mrs. Edward Heasman, President, spoke briefly, and announced the Cemetery Bee for Saturday and the Euchre Party next week. This is the beginning of a series of social evenings each week for the winter months and all are very welcome.

Mrs. Heasman extended thanks to the committee, chairman, and all who assisted with the programme, Mrs. Reg Coombes for arranging chairs and those who served refreshments.

The lunch committee then served sandwiches, pickles, pie and coffee and all enjoyed a social half hour.

An interesting service was recently conducted at Holloway United Church Sunday School, when the presentation of eleven Second Year Pins was

awarded the following children: Ronald and Carol Denyes, John, Raymond, Paul and Ann Emerson, Don and Jean McMullen, Douglas and Ralph Townsend and Frances Rose. These children have put forth an effort to see that they were in attendance at Sunday School for two full years every Sunday, and if they were unable to attend their own Sunday School, they attended another one, which was very seldom; so we are sure they have set a good example to the rest of us for good attendance. Credit is also due to the Superintendent, and also the teachers who played a big part in making God's work so interesting for them.

STIRLING

Hello Homemakers! Both processing and packaging methods for foods have improved during the last ten years yet we are continually asked whether prunes should be used that have "white dust" on them, or raisins should be eaten if they have turned brown. In most instances they may be used if thoroughly washed but the flavour and food value will have been lost.

To prevent loss of dried fruit, store in a cool, dry place; if possible the temperature should be between 35 to 45 degrees. Then, too, any insects which damage dried fruit will not live at this temperature. To keep dried fruits on hand pour them into clean covered jars and store in the refrigerator.

Raisin Bars

1 cup shortening
1/2 cup sugar
1/2 cup honey
1 egg
1 1/2 cups cereal flakes
1 1/2 cups flour
1 1/2 tps. baking powder
1 tsp. baking soda
1 tsp. salt

1/2 cup milk
1 cup seedless raisins
Blend shortening, sugar and honey well. Beat in egg. Crush ready-to-eat cereal and mix with dry ingredients, and add to shortening alternately with milk. Stir in raisins. Spread in well-greased 10 x 10 inch pan. Bake in electric oven of 375 degs. for about 15 mins. Cool and cut in squares.

Frozen Prune Delight

2 cups graham crackers
1 cup cut marshmallows
1 cup chopped walnuts
1/2 cup icing sugar
1/2 tsp. maple extract
1 cup mashed prunes

Crush graham crackers to make 2 cups and mix all ingredients together. Line a refrigerator tray with heavy wax paper and pack in the mixture. Chill thoroughly. Slice with a warm knife for serving. Top with whipped cream.

Apricot Tarts

1-3 cup sugar
2 tps. cornstarch
1 cup apricot juice
2 tps. butter
12 apricot pieces

6 ounces cream cheese
1 tsp. rum
12 tart shells

Mix sugar and cornstarch in saucepan and stir in apricot juice and butter. Cook slowly, stirring constantly until thick. Add apricots and chill. Mash cheese well with flavoring. Place two spoonfuls of cheese in each shell, fill with fruit. Serve, topped with whipped cream.

TAKE A TIP

1. Cook dried fruit by adding cold water to cover.
2. Count cooking time after water boils and keep it boiling, adding more water if needed.
3. Add sugar, if necessary, during last 5 minutes of cooking.
4. Cooking time table for dried fruits: apples and apricots, 40 mins.; figs, 25 mins.; peaches, 50 mins.; raisins, 10 mins.; prunes, 45 to 50 mins.
5. Cook sufficient dried fruit for several meals. Use part of it for sauces, for fruit whips, for desserts or for glazes on tarts.

THE QUESTION BOX

Mrs. W. H. asks: Why does seven minute icing become dry?

Answer: It is usually due to overcooking this egg-sugar mixture. If using an electric mixer, beat only 5 minutes and always remove top of double boiler from the hot water as soon as icing is made.

Mrs. K. T. asks: Can I use 10-inch layer cake pans for cake mixes which usually call for 8-inch pans?

Answer: Yet, use double quantity for 10-inch pans of 1 1/2 inch depth when any recipe requires 8-inch layer pans.

Mr. T. M. asks: Is there any way of preventing beets from burning?

Answer: We think your best bet would be overcooking of sliced beets. Peel 10 beets and slice thin. Place beets in a well-greased baking pan and season each layer with some of this mixture: 1/2 cup sugar, 1 tsp. salt, 1/2 tsp. paprika, 1/2 cup minced onion and 1 tps. vinegar. Pour 1/2 cup water into dish, dot with a piece of butter. Cover and bake in preheated electric oven of 400 degrees for 30 minutes.

Food Tips For Autumn Appetites

In these days of high prices and Autumn-keen appetites, no Ontario woman can afford to overlook a new booklet published by the Nutrition Section of the Women's Institute Branch and Home Economics service of the Ontario Department of Agriculture.

Under the heading of "Your Money's Worth In Food" the authors have compiled an all-embracing bulletin which deals extensively with all phases of food and food preparation.

In addition to timely tips on how to get your money's worth in food, the bulletin includes a food guide for health in addition to devoting considerable attention to meal planning on the basis of nourishment, economy and appetite appeal. There are tips in abundance on how to prepare inexpensive, health-giving meals, on a modest budget.

Of particular interest to the homemaker is a section of the bulletin devoted to the comparison of "Extravagant Foods" and "Economical Foods." Stress is laid on those foods that yield your money's worth in food value.

In these days when every dollar has to count, housewives will find new ways of using leftovers. Preparation of less expensive cuts of meat is dealt with at length in the bulletin. There is complete information on the preparation and cooking of the most economical cuts.

Added to all that, there are pages and pages of mouth-watering recipes all of an economical nature. They are all designed to bring ready and eager response to the call for dinner. But, for more important, they are easy on the pocket book.

Cakes, cheese, cookies, desserts, etc. all have their place in the bulletin as well as a schedule showing the cooking time of all types of vegetables.

Copies of the bulletin may be obtained from the Women's Institute Branch of the Ontario Department of Agriculture or from your local Agricultural representative.

Trucker Crushed Under Dump Box

Kenneth Sca, 22, of R.R. 5, Belleville, was instantly killed Monday when he was crushed beneath the box of a dump truck loaded with three tons of gravel.

James Belch, of R.R. 8, Belleville, a companion, said he and Sca were about to unload the gravel when the hoist stuck. Belch went under the truck to check the mechanism and Sca leaned under the box pulling a release rod, sending the box crashing down.

The accident occurred near Roslin. Dr. Jack Empson, coroner, of Roslin, said there would be no inquest.

Plaque In Memory of Dr William Canniff Unveiled at Canniffon

The memory of Dr. William Canniff, for whose family the village of Canniffon was named, was fittingly honoured Thursday of last week, when a plaque erected by the Historic Sites and Monuments Board of Canada was unveiled at the Canniffon-Corbyville Public School.

Frank S. Follwell, M.P. for Hastings South unveiled the plaque erected in the main entrance the Canniffon School, while Prof. Fred Landon, secretary and Ontario director of the Historic Sites and Monuments Board reviewed the life of Dr. Canniff.

The wording on the bronze plaque shows that Dr. Canniff was born in Thurlow township, June 20th, 1830 and died in Belleville October 18th, 1910. He was a noted physician and author, contributing to medical journals of the time and also historian of Upper Canada.

In reviewing the life of Dr. Canniff, Professor Landon emphasized the medical side of his career. He attended Victoria College and the Toronto School of Medicine and later was surgeon at a New York Hospital. He went to England during the time of the Crimean War and while there was made a member of the Royal College of Surgeons.

He moved to Toronto in 1860 and during the time of the Trent Incident was captain of a company being drilled in Toronto. In 1863 he went to Washington where he was attached to the Army of the Potomac.

Professor of Pathology

Returning to Toronto he was made professor of pathology and surgery and was one of the founders of the

Canadian Medical Association and was secretary of the Ontario section of the Canadian Medical Association. He later served as president of the Association.

In 1867 Dr. Canniff was Canadian delegate to the International Medical Conference in Paris.

In addition to his medical interests, Dr. Canniff was a noted historian and was author of a history of early Upper Canada with special reference to the Bay of Quinte district. He also wrote a history of the medical profession in Upper Canada from 1790 to 1850.

In conclusion Mr. Landon expressed the hope that the plaque to Dr. Canniff's memory would be an inspiration to the children of the Canniffon school as well as a source of pride for the citizens of the community.

Dedictory Prayer

Following the unveiling by Frank Follwell, the dedicatory prayer was said by Captain Fred Brightwell of the Salvation Army. Chairman for the program was Harry Darling, principal of the school.

Other speakers included Warden Lee Grills, township reeve Fred Mitchell, Erie S. Denyes, clerk-treasurer for the county, Rev. W. R. Merrick, Clarence Bird, representatives of the school board and R. H. Macklem, Public School Inspector for South Hastings.

Roy Silis, a direct descendant of Dr. Canniff and Mrs. Bertha Cole, also a descendant of the Canniff family, also spoke briefly.

Mr. H. C. Martin, also a descendant of Dr. Canniff, and Mrs. Martin, of Stirling, attended the ceremony.

ance of grain on western farms, the present time is favourable to carrying calves until they are yearlings and the latter until they reach two years. The same applies to sheep, adds Mr. Hargrave. Ewe lambs should be kept to replace over-age animals instead of being sent to feedlots.

There has been a significant shift in the ages at which cattle have been marketed during the last years, points out the Lethbridge expert. Farmers and ranchers are now selling their cattle as yearlings whereas formerly they sold two and three year steers. A return to the old method might well be a wise move for the coming year, in view of the present situation.

October Death Toll Worst On Record

October was the worst month on record for fatal traffic accidents in Ontario.

Preliminary reports show 132 killed in 105 fatal accidents on streets, roads and highways. (October 1950 with 111 killed was the previous high.) Police and safety officials attribute the bad record to extremely heavy week-end traffic, early darkness and dangerous driving and walking habits.

At least two-thirds of the fatalities resulted from accidents between supertime Friday and midnight Sunday, with the addition on Thanksgiving Day.

October, always a bad month for fatal accidents, has been the worst month of the year 6 times in the past 10 years.

Railway crossing accidents killed 13. Victims of other accidents included 21 children under 16, of whom 10 were

pedestrians. Nine pedestrians over 60 were killed. Fifteen "multiple" accidents took 42 lives.

The traffic death toll for the first 10 months of 1952 is now 813, compared with 778 for the same period last year, an increase of 35 deaths.

Nothing but more public support for safety across the province is likely to keep the death losses below the 1,000 mark for 1952.

first aid kits, girl's garment making, house dresses and school lunches.

Mrs. Lindsay Pollock and Mrs. Clancy, of Wellman's Branch, demonstrated the school dinner carried in the red lard pail and then through the education of the Women's Institute a more balanced lunch was introduced. In 1926 Ivanhoe Branch won first prize and that lunch box contained brown and white sandwiches, with nuts, cheese, celery, apples, bran muffins, custard, milk and hard boiled egg.

Hospitality

In 1926 Miss Ethel Chapman gave a talk on "Hospitality." Several ladies of the River Valley Branch depicted the changes of the 25 years. Mrs. Bob Philp, represented a teen-ager of today dressed in jeans and reading a "True Story Magazine." Mrs. Percy MacMullen, wearing her grandmother's wedding skirt, and a knitted shawl, demonstrated, "How she was taught to meet her guests at the door, even to dusting the chair. Mrs. Ed. Heasman, President of River Valley Branch, acted out two parts, first that of a mother in years gone by, when four-yard linen tablecloths, table napkins, and table runners and centerpiece were in vogue and no electricity, and when great preparations were made by all the family to entertain aunt Jane and uncle Ira and family from the city. She demonstrated many knit spreads and cushions that were found in homes of that period. This closed with elaborate plans to provide the necessary food for the visitors, such as fried cakes, pies, old hens, etc.

Mrs. Will Ashby, dressed in slacks and sweater, portrayed the grandmother of today, with Mrs. Heasman, who had changed into a modern outfit proceeded to get ready for city company. The plastic tablecloth was dusted and a telephone call was put in for food from a nearby store. Mrs. Heasman gave an exceptional portrayal of her lengthy part representing the mother of two generations.

Mrs. Ashby, in her closing lecture to the audience, said, "One of the biggest changes I see for good came with

the Women's Institutes. Better education, easier ways of travel and the farmer's self respect. No longer is the farmer expected to give free meals to all agents and to donate free food to city relatives. There is yet room for improvement in rural hospitality, but at last the farmer has found a more rightful place in society.

Hat and Dress Parade

Mrs. Bernard Brooks, Cherry Valley, was in charge of this section, when 12 ladies modelled clothes from various periods of time. Mrs. Benson Brant, of the Mohawk Homemakers, made a colourful picture as she walked up the aisle to the stage wearing a full Indian dress over 100 years old. She was followed by two grandmothers, Mrs. McNelly and Mrs. Trulupour, wearing typical grandmother clothes of the early 1900 period.

Miss Gorsline, Mrs. Atkins and Mrs. Proctor, of Prince Edward County, modelled old time wedding outfits and Mrs. Harold Phillips, of Wallbridge, wore her mother's lovely wedding gown. Mrs. Chester Silis, Ivanhoe Branch, made a contrast with her nursing uniform when she graduated to that profession.

The models then brought the picture up to the twenties, when waistlines were lower, skirts shorter and the flapper girls had their innings. Mrs. H. Naylor and Mrs. Ralph Neal, of the Marmora Branch; also Mrs. Evans, of the Wallbridge Branch, modelled outfits that well portrayed those days. One dress of brown velvet had a matching brown cloth hat. The white outfit was complete with bright beribboned elastic knee garters.

Mrs. Percy MacMullen, River Valley Branch, modelled her own dress of light brown imported reversible silk brocade made from a Butterick Pattern. This design had been displayed in the front cover of McCall's magazine in January 1925. The hem-line was uneven with deep pleated gathers of material hanging from the skirt edge. The dress was made by her mother-in-law.

She wore with this costume, one of the latest Easter creations in hats, purchased that year from Miss Della Caldwell, Stirling Milliner, and a brooch with her name engraved bought in Toronto when she and her husband were on their honeymoon in 1916.

Mrs. MacMullen addressed a meeting of the Bay of Quinte W.M.S. Branch Conference at Bowmanville in this outfit in 1925 and has preserved it through the years. (By the way, Mrs. C. W. Clancy saw an identical green dress at the fashion display last week at the Royal York, Toronto, when Central Ontario celebrated their fiftieth anniversary.)

The last model was Mrs. Bob Philp,

River Valley Branch, wearing a lovely floor-length wedding gown of net over satin with lace sleeves and inserts, which was her own wedding costume in June 1951. This brought the fashion display up to date.

The commentator remarked that these views of the past could be carried on much longer but time was speeding by as the whole portrayal was around one and a half hours. She said, "We are building today for tomorrow on the foundation so well laid on our theme, from a silver yesterday to a golden tomorrow."

Friendship Links

At this juncture a golden link of friendship was made with Mrs. Percy Utman (the former Institute member in the centre).

Various past workers were called from the audience to stand on either side and represent all those who had worked in the Belleville Area during the 25 year period. On either side of the central figure were Miss Ethel Chapman, editor of Home and Country; Mrs. R. G. Purcell, Provincial President; Mrs. Ernest Irwin, Board Director; Mrs. James Black (the former Board Director); Mrs. Ross Bush, of Conesecon, the commentator; Mrs. Clarence Holmes, Past Provincial President, Belleville; Mrs. Carl W. Clancy, Area Chairman; Mrs. Roy Bush, River Valley Branch, Past District President; Mrs. K. Paul, Miss Audra Brickman, Mrs. M. B. Weese, Mrs. E. B. Finkle, Mrs. Arnold Mitchell, Mrs. Harry Murphy, Mrs. T. L. Nickel, Mrs. Roy Badgley and three other ladies. Gold links joined them all in unison.

Over 50 ladies were in attendance on Thursday evening at the Masonic Temple who had attended the first area convention in 1926.

"Father Time," Mrs. Sheldon McIntosh, said in closing, "May God's richest blessing be on you and you make your hearts and spirits so inspired that more and more will take up the good work of the past and join it with the ever new of the present, and continue in years to come to build a more abundant life in home and country."

Finale

The finale was a massed formation of all those who had taken part in "Hats Off To The Past." The audience joined in singing, "The Institute Ode," and "The National Anthem," after which several pictures were taken for preservation in the various Tweedsmuir Books of the Area.

The impromptu presentation of this skit was a marked success and Mrs. Roy Bush and Mrs. Carl Clancy received many messages of commendation from those privileged to be in attendance that evening.

CONSERVATION NEWS!

Hunters Questioned At Checking Stations

The general comment heard from Conservation Officers in the Quinte District after the hunting season was "Hunters numerous, Deer scarce."

Considerable information has already been obtained at the three deer checking stations established on Highways 17, 41 and 62, where deer hunters were questioned en route home. Officers making rough calculations, estimated only 20% had secured their deer. Hunters were very co-operative in supplying information sought by the Department's Game Management Staff, and took the slight delay in chilly weather in good part.

Examination of many carcasses seemed to indicate deer were not in as good condition as last year. The ratio of bucks was higher and less fawns in evidence.

Arrangements had been made to check weight and ages and many hunters with good sized bucks were glad to get some extra facts to take home with them.

The usual number of hunters were apprehended for various infractions under the Game and Fisheries Act. Carrying loaded guns in vehicles, magazines in shotguns not properly adjusted, and not being in possession of a license were main violations.

Three New Fires Reported

Three new fires in the Quinte District during the first week of November brought the season's total to 62. Two fires in the Bruce Division, one in South Canoto, which burned only a few square feet and the other occurring in a lot at Canniffon, a Grills Township were blamed on careless hunters. The third fire, in the Bancroft Division, November 5th, started in a hunt camp and burned approximately one acre.

Four other fires were still being patrolled by fire fighters from the previous week.

Light showers November 3rd, covering most of the District, followed by cooler weather reduced the hazard to medium and improved visibility.

"In one afternoon forest fires can destroy a century of Nature's work. Our young forests belong to young Canadians. Let them grow up together."

Seems Good Business To Carry Cattle Over

It looks like good business to carry a steer over another year rather than to market it now even if prices remain at their present level, states H. J. Hargrave, head of the animal husbandry at the Lethbridge Experimental Station. A supply of feed worth \$15 to \$20 can winter a steer and \$10 worth of grazing can do the summering, he says.

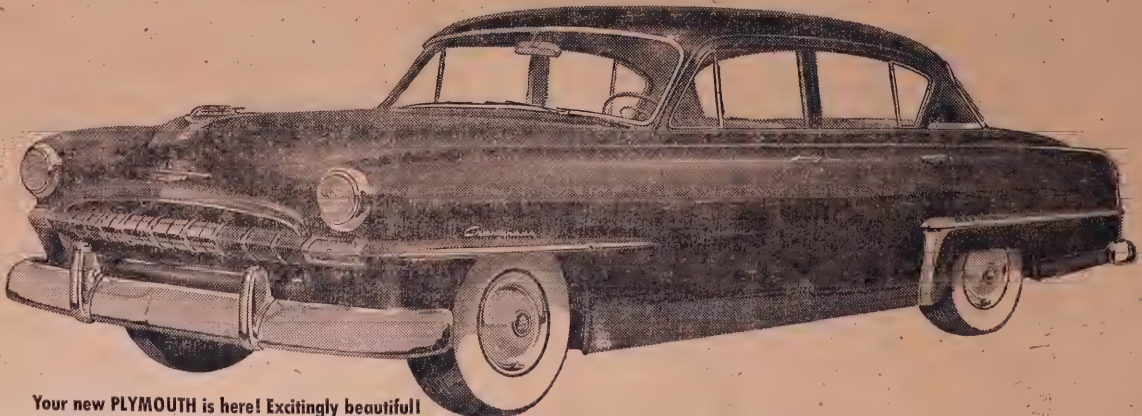

A half ton of hay or straw together with five or six bushels of grain will carry a calf over in good condition and

Valedictory Address

The starring student this year was Margaret Drew, now attending Queen's University. In her Valedictory address, Margaret paid tribute to her parents; to Mr. Good for his kind, firm, wise guidance during Grade XIII's sojourn and to the Staff. The value of the past five years lay in development of their minds and character and for success, not necessarily always victory, in sports, that brought honours to the "best school of all."

Guest Speaker

Mr. Malcolm Robb, Barrister of Belleville, was guest speaker and was introduced by Mr. Good. Mr. Robb's theme was "moral fibre." If a student showed continued progress in his academic work, the chances were his later years would show a gradual improvement in his character and he would be a good citizen. Education continued after school leaving. Success in politics was not the holding of office, but the achievement of an ideal through the energy of the individual. Now is the time for youth to resolve what they will stand for in later years — moral fibre. His final appeal was not to make patriotism a war-time effort, but to use it in times of peace. Our actions should prove in the years to come that we mean "O Canada, we stand on guard for thee." Then we survive.

"Our England is a lovely garden,
But such gardens are not made
By sitting in the shade."
The complete list of awards and diplomas will be found on page two.

Boy Scout News

At 7.00 p.m. before the regular meeting handicraft was taught. At 7.30 the horse-shoe began with the flag raising and prayers being said. The Scouts then went to their corners and collected dues. Patrol leaders decided to change the names of their Patrols to Wolf, Fox, Buffalo and Woodpecker. Afterwards a game of push ball was enjoyed.

The investiture of two Wolf Cubs, John Ray and Barrie Hewton followed. Skipper Harding lectured on the importance of "being prepared." Instruction on the Morse Code was then dealt with, the letters for the night being T, M, O and E, I, S, H. Following the singing of a song the Scouts were dismissed for the night.

Sadie Hawkins Dance Enjoyed

The Sadie Hawkins Dance which was held at the High School last Friday evening was very successful. Many varied and unique costumes were worn by the students and other participants of the dance. Prizes for the best costumes were given.

The music was by records until the school orchestra was settled. This was the first time the orchestra has played at a regular gathering and it is known as the "4 R's." The members are Ray Hermiston, saxophone; Ross Bradshaw, trumpet; Robert Jeffrey, drums, and Ronald Hadley, piano. The music was excellent and everyone had a good time.

On Sunday, November 16th, the congregation of St. Kilian's Church, at Ardooch, bade farewell to their pastor, Rev. J. L. Lamarche, prior to his departure to assume his new duties at Stirling and Frankford.

Feelings of regret at his leaving were mingled with the joy of promotion and these sentiments were ably expressed by the gathering.

After the address and presentation Fr. Lamarche in his capable manner, very fittingly replied. He spoke briefly on the band of faith, loyalty and good will which had united pastor and people. He expressed his sincere thanks and appreciation for their co-operation and assured them that he would always have a special affection for the people of his first parish.

dinner, clear of expenses was \$97.50.

Mrs. Blake Sharpe presided over the programme and opened with a hymn. Mrs. Kenneth Weaver briefly summarized Chapter II, "Our Angola Mission." The first Missionaries were Rev. Walter T. Currie and his wife, in 1886. Mrs. Currie died that first year and was buried at Ballundo. Today there are five Mission Stations and the railway and a growing system of motor roads are opening up the colony for trade and commerce. A recent tour of the Mission revealed the benefits derived from our programme of agricultural educational and medical services in Africa. Mrs. Roy Thrasher sang, "What Have I Done Today."

The citizenship secretary outlined films that are educational for the Temperance Dept., as recommended in the Advocate, which stresses the value of visual aids for education. The mite box secretary read the first eighteen verses of John and the pastor offered prayer.

Mrs. Frank Jeffs gave a paper on "The Book of Life," and said the Bible will be a means of grace only as we use it. In May 1946 the message flashed around the world that the war was over. That message was of crucial importance to everyone, a matter of life and death, but a hundred years from now it will be history. The Bible is different, the facts and events it records concern man's eternal blessedness.

The stewardship secretary based her

message on "The everyday blessings that individuals take for granted and the happiness derived from being kind to others."

Rev. and Mrs. R. R. Bonsteel were presented with a lovely quilt which his mother had pieced by hand and the W.M.S. ladies quilted. The pastor extended deepest thanks.

The Advent Season

Advent Services will begin next Sunday at St. Paul's and Carmel. They will continue throughout December with special emphasis this year on Praise. "The First Christmas" will be interpreted Sunday evening, Dec. 14th, when the Rev. G. A. Pattenham, Chairman of the Presbytery, will bring greetings to mark the Renovation of the Church. At the morning service the Sacraments of Baptism and the Lord's Supper will be observed. The beautiful memorial lanterns will also be dedicated. Rev. C. D. McLellan, B.A., B.D., a former President of the Bay of Quinte Conference will attend. Parents with children to dedicate in Baptism are asked to notify the minister or clerk of session at once.

Sympathy

St. Paul's extends its sympathy to Mr. and Mrs. Clarence Sca bereaved by the sudden death of their son, Kenneth Everett, on November 17th. Christmas Gifts

One of the most useful and pleasure giving gifts is a copy in large print of the United Church Hymnary. Copies can be given to the church if desired to be dedicated and placed in the pew racks.

Sentennial News

Mr. R. A. Patterson, President of St. Paul's Choir, has been appointed to write the choir history for the Centennial Year Book, and Mr. X. P. Mayhew to perform this duty for the Young Marrieds.

Congratulations

To Mr. and Mrs. Ross Hart and Mr. and Mrs. Clayton Stapley on the birth of a daughter in each family. These arrivals will bring a freshened interest to the Carmel Cradle Roll.

Changing Pastures

Rev. Fred Mack, Pastor of the Bethany Presbyterian Church reports that more than 100 of the 600 members of the church were formerly Roman Catholics. Nine of these are officers of the church. (See Christian Century October issue).

Gifts

The best thing to give to your enemies is forgiveness; to your opponent, tolerance; to a friend, your heart; to your child a good example; to your father deference; to your mother conduct that will make her proud of you; to yourself, respect, to all men, charity.

Real Living Is Giving

A minister once wrote to a wealthy businessman requesting a subscription to a worthy cause. He received a curt refusal which closed with these words: "As far as I can see, this Christian business is just one continuous give, give, give."

The Pastor replied: "Thank you for the best definition of the Christian life that I have yet heard."

Real living is always "one continu-

ous give, give, give." That was the secret the first Christians discovered. The secret of happiness is no secret. It is unselfishness. The more freely we give, the more radiantly we live."

A Living Bible

I am my neighbour's Bible
He reads me when we meet.
Today he reads me in my home;
Tomorrow in the street:
He may be relative or friend,
Or slight acquaintance be;
He may not even know my name;
Yet he is reading me.

Sunset Homes

The United Church of Canada program includes Church Homes for elderly citizens. The first of these was Oliver Lodge, Saskatoon, where 80 aged folk are cared for; another is the Ina Gage Home for elderly women at Moose Jaw. In Manitoba the Osborne Home at Neepawa. There is also a home in Toronto.

The Great Seal of the United Church of Canada

This seal depicts a descending dove — representative of the descent of the Holy Spirit; the open Bible is symbolic of the openness of God's word; the Burning Bush the undying fire of God's spirit in the church. The Alpha and Omega — the first and last letters of the Greek alphabet — are ancient terms used for Christ, who is the Church's One Foundation. The four parts of the Great Seal are divided by the letter "X" which is the first letter of the Greek word for Christ, all of which is symbolic of the fact that at the centre of our faith is our Lord Jesus Christ. Around the crest is the name of the Church together with "ut omnes unum sint" — "that they that they may be one."

Crests

We believe the cultural life of our society might be improved by the more generous use of crests. We would welcome family crests. A standard to exalt in the home; school crests, both primary and secondary in the interest of — esprit de corps — the school spirit; the identification and publicizing of our civic emblem as well as the more particular application of symbols in our fraternal and cultural organizations.

The Thomas Crosby IV

This is the name of one of the Mission Boats in the United Church Fleet. Its Missionary Captain is the Rev. Roy McColl. Anchored at Hartley Bay one Sunday he conducted worship where 120 out of a population of 190 were at church. How does this compare with Stirling? In 1951 there were 1151 persons living in Stirling. The sixty-three per cent of Hartley Bay on the Pacific would require an attendance in the Stirling Churches by Stirling citizens of 725 persons on Sunday. Adding together the resident worshippers at St. Andrew's, Grace Chapel, St. James the Minor, St. John's and St. Paul's what is our normal attendance at church for this village?

"Give unto the Lord the glory due unto His name; worship the Lord in the beauty of holiness."

Self Expression

Giving is as much a part of the Christmas life as praying. Until God has your purse or pocketbook he does not have you. Check on how a man spends or gives his money and you have the most accurate measure of the depth of his religious convictions.

Holy Tables Lettered

Mr. "Ted" Reynolds has recently gold lettered the inscriptions on the "Holy Tables" at St. Paul's and Carmel. "This do in Remembrance of

me." This has greatly enhanced the beauty of these tables. This thoughtful ministry is appreciated.

Bitter Harvest

What bitter harvest hearts have reaped Since once the hand of Cain,
Had shed a brother's blood upon
The garnered fruit and grain...
And still before man's altar spreads
The crimson stain. — L. S. Clark

Dancing in Schools

The Pentecostal Conference voiced strong protest against the action of public school officials who seek to make dancing compulsory for all pupils. The Department of Education in each Province will be requested to take steps to prevent any discrimination against children who refuse to participate in dancing on religious grounds.

It ought to be clear that there are thousands of young people who do not dance, some because of physical handicaps or heart disease and many more because it is against their religious teachings. One thing is clear participation in recreational dancing is optional in Ontario and even exemption from physical culture may be obtained where impaired health requires it. Whatever our personal attitudes may be we must always respect honest differences of opinion. Great care must be observed that no slight or injury is occasioned to any pupil who, loyal to his home or church abstains from dancing, card playing, bowling or any other form of recreation. We are happy to add that we have neither received or heard any complaints affecting our local schools.

Remembrance Day

In view of the uncertainty of November weather as well as the risks of exposure to children and aged folk especially, it might be worth giving consideration to holding the Remembrance Day Service in the Community Hall with all citizens following the veterans to the War Memorial for the solemn placing of wreaths and the observance of the two minutes silence at 11.00 a.m.

Carmel Memorial Service

One of the associated memories of this service not previously reported was the part taken by Major Fraser whose drum accompaniments to "O Valiant Hearts" and the "Trumpeter" made an enriching atmosphere to these parts of this beautiful service which will long be remembered.

Rev. A. McCutcheon Passed Away

Rev. A. E. McCutcheon passed away at St. Joseph's Hospital, Hamilton, on Monday, November 17th. He had undergone a major operation and was believed to be progressing favourably. Whiteley and representatives of Picton United Church were in attendance.

Mr. and Mrs. John Moore Showered

St. Mark's Parish Hall, Bonarlaw, was filled to overflowing Wednesday evening for the shower in honour of Mr. and Mrs. Gerald Moore (nee) Jean McInroy, whose marriage took place recently.

Canon J. M. Brownlie performed the duties of chairman for the following programme: Community singing, with Mrs. Ralph Wellman as pianist; chairman's address; piano solo, "The Band Played On," by Linda Wellman; reading, "The White Elephant," by Mrs. Harry Haslett; "The Wedding At Way-back," by the 12th Line School; reading, "To The Bride and Groom," by Mrs. Harold Stiles; duet, "Sweet Violets," by Geraldine and Joan McPaul; reading, "How Did She Do It," by Mrs. Ronald Brown; monologue, "Kenny Sit Still," by Kenneth Stiles; piano solo, "Rings On Your Fingers," by Mrs. Glenn Morton.

Canon Brownlie then asked Mr. and Mrs. Moore to be seated near the front and Mr. Stanley Kitchener read an appropriate address. Mr. and Mrs. Moore thanked their friends for the lovely gift, and also to those who helped make the party a success and invited all to visit them in their new home.

Mrs. Henry Ingram (nee Ileen McInroy) was asked to be seated beside her sister. Mrs. Heath, President of St. Mark's W.A., expressed thanks on behalf of the W.A. for the splendid work they have done in the church and W.A., and Mrs. George Wellman and Mrs. Simon Matthews presented each with a gift from the W.A.

The evening closed with God Save The Queen. Lunch was served by the ladies.

There are three parts of our annual report that I think would particularly interest you:

DEPOSITS: Because of your confidence, and that of 1,900,000 other Canadians in all walks of life, the B of M holds more than two billion dollars in deposits. Fully half these deposits are made up of the savings of private citizens... hard-earned dollars that mean a backlog of money for their use. At the end of the Bank's year, on October 31st, 1952, total deposits stood at the record figure of \$2,147,900,483.

LOANS: During the year, your Bank made many thousands of loans to business and industrial enterprises for production of every kind — to farmers, fishermen, oil men, miners, lumbermen and ranchers — to citizens

PHONE 331 "The Store of Quality" WE DELIVER STIRLING

on this key word was given by Mrs. John Wallace. An appropriate solo, "Have Thine Own Way Lord," was given by Mrs. Milton Shaw.

Following the singing of "Softly and Tenderly Jesus is Calling," the President introduced the guest speaker, Mr. J. MacMurray, of Foxboro, who held the interest of all present as he delivered an inspiring message on "The Bible and the Human Heart."

Many times in the Bible do we find reference to the heart. We read, the heart spoken of as evil, clean, soft, hard, merry, troubled, broken, proud, perfect and new. Too often we think of the heart as the centre of our emotions, rather than the centre of our moral and spiritual life. Man looked on the outward appearance but God looked on the heart and the heart apart from the Grace of God is evil.

For out of the heart of man proceedeth evil thoughts. Men and women need a gospel and a Saviour.

God promised a change of heart, a new heart. A new heart is not necessarily clean, so the heart of a converted man needs to be cleaned. In the Bible we find the cleaning by word, water and fire — and the cleaning is an even greater blessing than forgiveness.

God promises a full heart cleansing is not enough. We must have something more than the absence of sin, we must have the presence of God in our hearts and a full heart is a happy heart.

Words of appreciation and thanks were extended by Mrs. John McInroy. Following the singing of "Blest Be The Tie That Binds," and prayer offered by Mr. MacMurray, lunch was served.

R. Wells Reeve of Marmora

As anticipated at the nomination meeting of Marmora Village Council, there will be no election this year.

Returned to office through qualification are: Reeve Ritchie Wells; Coun-

cillors, John Reynolds, William Lavender, Carl Heath and William Shannon; public school trustees (three), Vaughan Glover, Cecil Neal and Arthur Nobes; Hydro Commission, George Forestell.

The retiring reeve, Vincent Lynch, who has given five years of service in that office, finding pressure of personal affairs greater than when first becoming reeve in 1947, decided to withdraw. He nominated the senior councillor, Ritchie Wells, for the reeveship. Mr. Wells is a brother of Harold Wells, ex-reeve of Stirling Village.

STIRLING

Hello Homemakers! When Americans visit our homes during the week-end they will revive many election incidents. They may also recall that the President of the U.S. proclaimed the first Thanksgiving on November 27th, in 1789.

Be prepared for a "chluwag" and plan now to prepare traditional Thanksgiving foods. Our suggestions are quick and easy dishes such as Pumpkin soup, Roast cured ham, Apple prune dressing, Browned potatoes, Mashed turnips, Jellyed carrot salad, Mince-meat pie and Tea or Coffee.

Pumpkin Soup
3 cup strained pumpkin
1 cup cream chicken soup
1 1/2 cups milk
Salt and pepper
Combine cooked pumpkin, condensed chicken soup, milk and seasoning. Heat to steaming point. Serves 7.

Apple-Prune Dressing
3 cups diced bread
1/2 cup melted butter
1 cup diced apples
3 cup diced prunes
1/2 cup nuts
1 tsp. salt
1 tsp. lemon juice

Combine and bake in greased custard cups for 20 mins. during baking period for roast pork.

Mashed Turnips
Cook match-size pieces of turnip in salted water for 25 mins. Drain and mash. For 6 or 7 servings add 1 tsp. flour, 1 tsp. butter, 1 tsp. brown sugar and 1 tsp. finely grated orange rind. Beat. Reheat over hot water. Serve.

Jellyed Carrot Salad
Dissolve a package of pineapple flavoured gelatine with 1 cup hot water and 1 cup cold water. Stir in 1 tsp. lemon juice and set to jelly. When partly thickened add 1 cup grated carrot lightly sprinkled with salt.

Apple Mince-meat Pie
2 1/2 cups thick applesauce
1-2 cups canned mince-meat
1-3 cup brown sugar
2 tbs. butter
Pastry dough

Combine applesauce, mince-meat, sugar and butter. Line a 9 inch pie plate with pastry and fill with mixture. Roll out remaining dough, design and top over moistened edge of lower pastry. Press edges together with fork. Bake in electric oven of 425 degs. for 35 mins.

THE QUESTION BOX

Mrs. J. K. asks: When do you put the glaze on top of fruit cakes so the icing will stick?

Answer: Brush the glaze on fruit cake when the cake is absolutely cold. Add icing immediately.

Mrs. L. R. asks: How can we bake cake mixes in paper cups without losing their shape?

Answer: Place paper cups in zinc jar bands on a cookie sheet before pouring cake mix into them.

Miss M. P. asks: How can we keep crunchy cookies crisp for a week or more?

Answer: Store in a covered cookie jar with two cubes of sugar beside them. Keep in a cool place. They may be crisped by placing a few on a pie plate in a warm oven for 3 or 4 minutes.

Mrs. N. M. asks: What could be the ingredients of a sponge cake made of cranberries with curry flavour?

Answer: Use a tin of cranberry jelly. Crush with a fork and sprinkle 3 tsp. of curry over it. Beat well and chill.

Mrs. C. D. asks: How can we perk up the flavour of cold chicken as a salad?

Answer: To 1 1/2 cups diced chicken add 1 tsp. lemon juice, 1/2 cup diced raw celery, 1 tsp. minced browned almonds, 1 tsp. silvered ripe olives, 3 tsp. accent and 1-3 cup mayonnaise. (It is mono sodium glutamate and makes good chicken taste better without adding any additional flavour.)

Anne Allan invites you to write to her c/o News-Argus. Send in your suggestions on homemaking problems and watch this column for replies.

GOOD MANNERS

Courtesy in reality does not so much suggest a way of acting as it does of feeling, and that is why it is so greatly worth while. And it is quite accurate to speak of the grace of good manners, for good manners is a thing that grows in a man's heart or it is nothing at all but emptiness. —Trenton, Ont. Courier-Advocate.

A host of friends and relatives gathered in the Orange Hall on Friday evening to honour Mr. and Mrs. Granville Melkiohn and family prior to their departure for their new home at Marmora. Rev. H. E. Beare was chairman for a pleasant programme which was opened with community singing led by Frank Cosbey with Mrs. Carman Sine at the piano, followed by a reading by Denton Burdett; piano solos by Edmund Fleming, Doreen Broadworth, John Williams and Bob Beare. Guitar selections by Roy and Wally Jackson. Vocal duet by Marion and Shirley Broadworth and a number of songs by the junior room of Springbrook School. An address was read by Mrs. Murney Mason and the presentation of a tri-light lamp and coffee table was made by Clayton Burdett, while Barbara, Mary Sandra and Linda were each presented with dresser lamps. Mrs. Melkiohn was also presented with a set of lovely book ends by the W.A., of which she was always an active member and a cut glass cake plate from the Junior Bible Class of Springbrook.

Mr. and Mrs. Melkiohn thanked their many friends in a few well chosen words. All joined in singing "Auld Lang Syne" and the remainder of the evening was spent in dancing to music provided by Mr. Phil Beaudrie and his orchestra.

St. John's News

Contributions for the new floor are still arriving. In order to avoid as much canvassing as possible, another letter will be sent to those who have not responded, asking that they do so if possible within the next two weeks. Our aim is to get the floor laid before Christmas.

All kneeling benches have now been placed on hinges, which will prevent scratching the new floor. They will be painted soon.

The Season of Advent which begins on November 30th, is a preparation season for Christmas. The last few years has seen a tendency to enter into the Christmas Season about six weeks before December 25th. This is due to the high pressure methods of modern business, and it has had the effect of making people forget that there is a season of preparation. Before all important enterprises and projects there is preparation, so there should be before Spiritual events. Advent is a time to prepare by prayer and praise for the Birthday of Christ. The church calls her faithful people in this short season to spend a little extra time in devotion to God, to think out the spiritual significance of the Birth of the Saviour and to learn how to celebrate the Feast of Christ, or Christ's Mass, rather than as it has almost wholly become now, the Feast of Santa Claus.

The Bishop gave a wonderful address on Christ's Church. He illustrated by three stories showing that great gain may often come from loss, that

Bank of Montreal Releases Annual Statement for the Year 1952

Reflecting the swift rate of Canada's industrial growth, the Bank of Montreal's 135th annual statement, just published, features record figures for deposits, loans and total resources. Most notable of these are deposits of \$2,147,900,000 — the highest total in the B of M's long history. These deposits comprise the funds of more than 1,900,000 customers from coast to coast.

"Fully half these deposits are made up of the savings of private citizens," was the comment which Allan V. Greenley, the local branch manager, made in a message issued by the B of M in reviewing for its customers the highlights of its annual statement.

The report, which is for the year ended October 31st, shows an increase in loans of \$65,811,000 over the 1951 figure. This brings total loans up to the highest record in the bank's history — \$712,179,846. These loans, the message from the manager states, were made "... to business and industrial enterprises for production of every kind — to farmers, fishermen, oil men, miners, lumbermen and ranchers — to citizens of every calling, and to provincial and municipal governments and school districts."

Bible Society Service

As many as possible from St. John's Church should attend the joint Bible Society service in St. Andrew's Church on Sunday evening, November 30th, at 7.30 p.m. There will be a film called "The Bible On The Table" which this writer saw in Frankford last year. Mr. Young will give an interesting address. The Junior Choirs will sing a Hymn-Anthem. The Senior Choirs will lead in the music. The Bible Society gives valuable aid to our church, we should support it with our prayers and offerings.

Salem W.A.

There was a good attendance at the quilting and pot luck dinner which was held at the home of Mrs. Thos. Clements on Thursday, November 13th.

The President, Mrs. Clements, presided and opened the Worship Service with the theme song and prayer. The hymn, "Onward Christian Soldiers" was sung. Minutes of the last meeting were approved and the roll call answered. A bale will be packed for Korea.

Mrs. Frank McGee was in charge of the programme, and opened with a poem and reading on Armistice, followed with the hymn, "O God Our Help In Ages Past." Mrs. A. Twiddy read the Scripture from 11th Chapter of Acts verses, 11-18. Mrs. Orval Jackson offered prayer.

A paper, "Home Influences" was well given by Mrs. Beckel. Readings were given by Mrs. Murney Johnston and Mrs. Harold Holden. Following this a presentation was made to Mrs. Beckel. Mrs. Harry Mayor read the address and Mrs. Albert Twiddy on behalf of the W.A., presented Mrs. Beckel with a necklace.

Mrs. Beckel very graciously replied. Hymn, "Blest Be The Tie That Binds," was sung, followed with the benediction.

Mr. and Mrs. Beckel and children are leaving shortly for their new home in Saskatchewan.

Mrs. C. Carter voiced the thanks of the W.A. to the hostess and those assisting with the programme.

1953 Dodge Models Feature Completely New Styling

Featuring completely new styling, (longer, lower, wider-looking), and providing what is claimed to be a new smoother, steadier ride, the new 1953 Dodge Regent and Crusader models went on display Friday, November 14th at Dodge-Desoto dealers throughout Canada. These new Dodge models have not just been changed or "face-lifted," they're entirely new and different, according to officials of Chrysler Corporation of Canada, Limited.

There's a new, wider frame and new spring suspension that are claimed to result in a more level, road-hugging ride and greatly improved cornering ability.

Bodies are low, wider and more compact yet there is actually more room inside than in previous models. For instance, the back seat is a full 8 inches wider — there is more head

Strong Liquid Position

Nearly a billion dollars of the bank's assets are in high-grade government bonds and other public securities which have a ready market. In referring to these holdings, the manager's report notes that "this money helps to finance government projects for the betterment of Canada and the welfare of her people." Amounting to \$987,000,000, these holdings represent the greater portion of the bank's quickly available assets, which total \$1,552,000,000, equivalent to 70 per cent of liabilities to the public.

Total resources have also reached an all-time high, at \$2,286,477,930 — an increase of close to \$65,000,000 over the 1951 year-end figure and an all-time record for Canada's senior banking institution.

Taxes Exceed Net Earnings

After providing for a tax bill of almost six million dollars — \$900,000 more than for 1951 — the bank reports net earnings of \$5,668,778 from the operations of its nearly 600 branches. After payments to shareholders there was a balance in profit and loss account of \$2,700,000 and from this the bank made a transfer to reserve fund of two million dollars. This fund now stands at \$53,000,000.

room and leg room, front and back. Long, sweeping fenders accentuate the long, low look, the rear fenders blending smoothly into the continental-type rear deck. This wider, lower rear deck permits a much wider rear deck lid and consequently increased useable trunk space.

Glass area is greatly increased with a one-piece windshield, optically curved for minimum distortion; higher side windows and a wider, wrap-around rear window. With chair-high seats allowing comfortable upright seating, this bigger glass area results in excellent vision for driver and passengers.

Some idea of the "newness" of these new Dodge models can be judged from the manufacturer's claim of 75 new design and engineering features — many of which are major changes. A few of the most important new features are: "K" type rear doors on 4-door sedans for more room entering or leaving; one-piece windshield; reduced overall height; new frame design, wider and lower; new spring position which gives additional resistance to twist; 30% more trunk capacity; belt line lowered 3 1/2 inches allowing deeper windows; the engine has been moved for better ride; glove box located in centre of instrument panel; pull-type door handles; narrower "A" posts for better vision; new parking ease as overall length has been reduced.

Eight standard body colours are offered, with two metallic colours at extra cost. In addition 16 two-tone combinations are available in production at extra cost.

The following models will be available: In the Dodge Crusader line — a four-door sedan and the Suburban; in the Dodge Regent line — a 4-door sedan; club coupe; the Mayfair "hard-top" and the Savoy.

Women Can Now Serve As Jurors In Court Proceedings

This year's voters' list to be used in 1953 have a glorious surprise in store for a great many ladies residing in Ontario. In fact it is a real bang-up present from the Department of Municipal Affairs at Toronto. Surprise! Surprise! — It takes the form of a gracious consent on the part of the Provincial Government to recognize sex equality by making the women eligible for jury duty.

In the past, men have had to do all the "cussing" when summonses came from Perth or other county towns ordering them to appear in the name of their Sovereign Lord the King (now a lady) and serve in the courts of the land on the juries.

What the women will say when they are rudely dragged away from their modern kitchens, their afternoon teas, their loving families, and all the other diversions, remains to be seen. Certainly they cannot take refuge in cuss words like the men, or can they?

We know that having read these words the dear ones will be all agog to learn who may be chosen and how. They will find, to paraphrase the Good Book, that it is a case of a great many could be called but few chosen. And then out of the comparatively small number from each are chosen a still smaller panel will be selected at the county court house.

Those liable for jury service must be over 21 years of age and must be British subjects. If a letter "J" appears opposite their names in the voters' lists they are in the capacity of jurors — Almonte Gazette.

The charts shown above were used, as exhibits by the Canadian Pacific Railway at recent hearings before the Board of Transport Commissioners at Ottawa to refute arguments that the burden of freight rates is borne largely by the western provinces. The first chart for gross ton miles shows that the railway's service in western Canada is substantially greater than that in eastern Canada. The second shows that average revenue per ton mile is much greater in eastern Canada and that the difference has been increasing since 1946. The third chart shows that the net earnings of the company, before income tax, once higher in western Canada than in eastern Canada, have been lower since mid-1948 despite the fact that two-thirds of the C.P.R. mileage is in the west.

Early History of Hubble Hill As Compiled by Dr. H. W. Mack

This early history of Hubble Hill, now known as Mount Pleasant community in Rawdon Township, was compiled by Dr. Harry W. Mack, Detroit, Michigan. He is a noted student of pioneer history and has written many articles about the early settlers. Dr. Mack has obtained his information from public records, from the written records of his father, Rev. Henry Wilson Mack and from various other authentic sources. He has forwarded the "Hubble Hill History to Mrs. Percy MacMullen, "Sunrise Lodge," Stirling R.R. 3, in the hope that many Rawdon residents will be privileged to read it and that members of the Hubble and Mack clan will value it and keep it for reference.

A letter to the Hon. Peter Russell, Administrator of the Government of Upper Canada was read in Council and is as follows:

The Memorial of Nehemiah Hubble humbly sheweth: That your Memorialist served His Majesty from the year 1776 to the reduction in the year of our Lord 1783, as a soldier in the Prince of Wales Regiment, a Provincial Corps, Commanded by Col. Brown, and has resided in this Province since 1788, with a large family consisting of a wife and nine children. He has drawn no lands, therefore prays that your Honour will be pleased to order him a location of land adequate to his services, etc., and your Memorialist is in duty bound will ever pray. This letter was dated at Ernestown, May 25th, 1797.

On February 4th, 1823, Surveyor General Ridout stated that Myer Hubble (the aforesaid Nehemiah) was located on Lot 20, Concession 3, Rawdon Township.

On March 7th, 1823, an affidavit at Cranabi stated that Nehemiah (alias Myer) Hubble was living on Lot 20, Con. 3, and that he had lived there upwards of 20 years. A land certificate for this lot was issued to him September 26th, 1823 and the Crown Deed October 4th 1823.

First Settlers

The first settlers at Hubble Hill were, Nehemiah Hubble and Barce Hubble, who came in 1797 according to the Belleville Registrar Office. Elijah Allen was the eldest son of the above Nehemiah. He married Fanny Chard, a sister of Dr. Mack's great grandmother Mary (Polly) Chard. Elijah, better known as Allan, obtained Land Certificate for Lot 19, Con. 2, Rawdon Township, Sept. 26th, 1823 and the Crown Deed Oct. 4th that year. An affidavit filed at Cranabi stated at that time that he had lived at Hubble Hill upwards of fifteen years.

Reuben Hubble was their son and in 1855 his parents deeded the north half of this lot to him. Reuben married Melissa Munroe, January 11th, 1845, with a Baptist Minister Elder Geary, performing the marriage ceremony. This Reuben Hubble donated the land (free to all) for Hubble Hill Cemetery, with the provision that one full plot from north to south be reserved for the Hubble clan. His great grandson, Clifford Hubble, Glen Ross, is now the director of the burial plots and has the Cemetery plan. This Reuben was also a trustee of The Regular Baptist Church of Rawdon, erected at Hubble Hill in 1870.

Nehemiah Hubble the second, was a son of the above Nehemiah. He married Mary (Polly) Chard in 1806. A Baptist Minister, Elder Turner, performed the wedding ceremony. To them were born Nancy in 1807, Barce in 1810 and Nehemiah in 1812. This Nehemiah, being born three months after the death of his father, who served in the War of 1812.

Nancy married Erastus Coe and she died a few days after the birth of their only child Benjamin. Benjamin lived to adulthood, married and moved to the States.

Barce, being the eldest son, obtained the Crown deed for the lot the government had allotted to his father. The deed was dated Nov. 12th, 1834. Barce deeded the east half of the lot to his brother Nehemiah the third on Dec. 24th, 1834.

Dr. Mack's great grandfather, Daniel Mack, a native of Connecticut, married Polly in 1815, three years after her first husband's death. The father of Fanny and Polly Chard also came to Canada from Connecticut. The Mack's continued to live on Lot 19, Con. 3, and each year they cleared more land for farm purposes. They built a much larger home and barn of log architecture, and here was born to them seven sons and a daughter, who died in infancy. Although Mr. and Mrs. Daniel Mack had cleared and improved the land and had raised the Hubble children by the first marriage, they decided to turn over Lot 19, Con. 3 with all improvements to the Hubble children as they were now approaching adulthood.

Mr. and Mrs. Daniel Mack then moved

to Wellman's Corners, and they were the second settlers that far north in Rawdon Township at that time. They purchased the west half of Lot 19, Con. 6 from Tom Wellman, Jan. 15th, 1828. This property was of course unimproved and again they hewed out of the forest another home and began to earn a livelihood for themselves and their family. Here they lived until their deaths in 1869 and 1874 and both are buried in "The Wellman's Corners Burying Ground" (so called at that time). Part of the land for this cemetery was donated to the trustees, June 7th, 1865 by their son who was Dr. Mack's grandfather, the late David Mack.

Barce Hubble, the eldest son of Nehemiah the second, married, and a son George went to the States while their daughter, Miriam, married Francis Harlow, a son of Hezekiah and Julia (Wiss or Weese) Harlow. In 1856 Messrs Francis Harlow, Erastus Mack and Daniel Mack Jr. went west to Wisconsin, U.S.A., and a year later their families left Hubble Hill and joined the men in the States.

Nehemiah Hubble the third was born, lived, died and is buried on Lot 19, Con. 3, Rawdon, in a small burial plot on that farm. Although married twice he had no children. He was a deacon and trustee of the Stirling Baptist Church. However, he and his wife donated the land for the Hubble Hill Methodist Church (now known as Mount Pleasant United Church). They also donated land for the Regular Baptist Church of Rawdon at Hubble Hill, which was a branch of the Stirling Church. This land reverted back to the property when the church was moved to the top of the hill in 1929 and became Mount Pleasant Church Hall.

William Henry Scott and his son Clarence Scott are the present owners and they occupy part of Lot 19. W. H. Scott is a great grandson of Mary (Polly) Chard Hubble Mack, the first settler. He obtained the east half from Nehemiah the third; thus it has been in the family continuously since it was obtained from the government about 150 years ago.

It would appear that Hubble Hill originally was rightly named, that is after the first settlers, the Hubble Family.

Among other children of Nehemiah the first were James, Peter and Reuben. Two sons of Ira and Mary (Harlow) Hubble Hezekiah and John Hubble went to Wisconsin, U.S.A., in 1877 and 1889 respectively.

Baptist Church

The Regular Baptist Church of Rawdon was built at Hubble Hill in 1870. The trustees at that time were Messrs. Reuben Hubble, Henry White, Frederick Sine, Silas Sine, Allen Sine and David Mack. In 1914 when the property was first sold the trustees were Messrs Henry White, Ernest White, W. H. Waller, Lewis Green, Walter Scott, Elgin Chard and Johnathon S. Chard. Only three of those men are living now, Ernest White, at Mount Pleasant; Walter Scott, at Wellman's, and Lewis Green, at Marmora.

The first service held in the church was a funeral service for Daniel Chard, a cousin of Reuben Hubble, Nehemiah Hubble and David Mack. He lived in Seymour Township near Chard's Bridge and died in 1870. He was the first burial in Hubble Hill Cemetery. His wife was Debby and they had a son Elgar and a daughter Rebecca and there may have been other children.

Dr. Harry Mack's father, Rev. Henry Wilson Mack, born at Wellman's Corners and a Baptist Minister for over 40 years preached his first sermon in the Hubble Hill Baptist Church and his son in Detroit has those sermon notes. Dr. Mack's grandparents, David Mack and Allen Sine, with other close relatives and friends built the Regular Baptist Church of Rawdon at Hubble Hill. All the trustees in 1870 were relatives of Dr. Mack and all the 1914 trustees were relatives except W. H. Waller and Dr. Mack says "he could have been."

Dr. Mack says it is a little satisfying to me to know that the former church now known as Mount Pleasant Church Hall is still being used in connection with a religious organization, that is for religious purposes, even the Baptist Doctrine in whole is not being expounded.

Dr. Mack plans to visit Rawdon relatives and friends in 1953 in connection with St. Paul's, Stirling, Centennial services.

This is just a brief sketch of some of the Hubble families but there were many others who lived here and there in what is now known as the Mount Pleasant Community.

Total number of pelts landed at St. John's, Nfld., from the 1952 seal hunt was 85,245, compared with 184,000 in 1951.

Evergreens For Foundation Planting

Fashions in garden planting change with styles of architecture and also with time. The desire for evergreen foliage to warm up our winter scene has led us to adopt the current practice of surrounding our houses with coniferous evergreens of various sizes and forms in place of the old deciduous standbys, such as lilacs and spiraea, says R. W. Oliver, Division of Horticulture, Central Experimental Farm, Ottawa. When used with judgment, these evergreens can set off the lines of a house to good advantage; when indiscriminate use is made of them, headaches may result. Native pines and spruce grow into large trees so that they are ungainly when used around the base of a house and eventually block off too much light. Clipping spoils their natural shape. Cedar is the only native evergreen that can be clipped satisfactorily each year into attractive globe or columnar forms.

Varieties must be chosen that will be, at maturity, the right size and form to provide the correct mass of foliage. Small blue spruce look attractive in the middle of a small lawn but will turn out to be white elephants after eight to ten years.

Where pyramidal or columnar forms are required the pyramid cedar, Burk's variety of juniper or a columnar form of Juniperus scopulorum are most suitable for average Canadian conditions. In the more favoured areas the Swedish juniper is also useful. If clipped lightly every second year towards the end of the season of active growth, these can all be held within bounds and at maturity should fill a space four feet in diameter and eight to ten feet tall, though they will grow taller if permitted to do so.

For globular forms Mugua pine or globe cedar are best under average circumstances. Some of the dwarf varieties of Norway spruce also grow in almost dome form and in more favoured climates there are suitable varieties of Chamaecyparis. The Mugo pines will need to have new growths pinched in half in late June to keep them from growing straggly.

Large rounded or loose forms are the thread leaf cypress, various forms of cedar like Ellwanger's, vervaen and Wareana, and Pfitzer juniper though this does not grow above four or five feet.

For low spreading mats there are several forms of juniper such as Andora, Waukegan or the tamarisk leaved form of Savins and several others. They have different foliage colour and can be combined effectively.

The Japanese Yew has been left to the last, says Mr. Oliver, because of its extreme value. The evergreens previously mentioned are best grown on the sunny side; yews will grow in shade as well. The others have characteristic forms; the yew can be grown in any form desired because it stands clipping so well. Erect forms can be allowed to grow into tall graceful masses or clipped into set columns. Spreading ones can be allowed to sprawl informally over a large area or clipped to form globes or mounds. It can even be trained effectively as a flat fan against a stone wall. It can be used to good advantage for many purposes except under very hot, dry conditions where junipers are more at home.

Protecting Our Assets

(By Joseph Lidster Rutledge)

Logs are the basic commodity of Canadian wood-using industries. But the lumber manufacturer wants certain sizes and species, the paper maker uses certain kinds, the maker of railroad ties or furniture veneers is particular. It is not hard to understand how, in the years gone by, one industry intent upon its own needs might have wasted or destroyed products that others might have used to good advantage. Half-used, half-standing, half-destroyed forests tell easy prey to fires and blights and the steady deterioration that results from flouting nature's laws.

But something could be done about it and, fortunately, much has been done. Continuing improvement in forest practices in Ontario, for example, is the byword, notably in the operations of the pulp and paper industry.

Two recent developments in north-western Ontario point to the determination of the forest industries further to improve matters.

One development sees three major pulp and paper plants co-operating with the Provincial Government in the setting up of a company which will buy and sell logs in the Lakehead area, aiming at orderly distribution of all sizes and species of logs — to the sawmill, to the tie plant, to the pulp and paper maker — eliminating the "tried and found wanting" business of compulsory trading between companies.

In another move towards a completely-integrated forest industries operation, the Great Lakes Paper Company has purchased the pioneer Patricia Lumber Company, northwest of Fort William, producer of lumber and railroad ties for 40 years.

This deal, plus earlier acquisition of the Northern Wood Preservers plant at Port Arthur and operation of the Great Lakes Paper Co. itself, assures full utilization of wood fibre from the firm's timber limits.

The way to elimination of waste and an end to disputes over timber supplies is open. The co-operative movement started by Thunder Bay Forest Products Limited — the timber buying and selling agency — appears to be a great step forward in the safeguarding utilizing and delivering of Canadian forest products in the most efficient and economical manner.

Since every Canadian has a stake in the forests, it is good news to know that they are being used, protected and assured of renewal.

Can You Stop?

No rule has been arrived at to cover safe speeds under all conditions. Only the driver can judge this. But tests have shown that the control which exists at 50 miles an hour under ideal conditions can not be maintained at over 15 miles an hour on ice or 30 miles an hour on packed snow. With temperatures at or about freezing, thin films of water on icy surfaces make roadways very much more slippery than they would be at, say, a temperature of 20 degs. Full chains provide a measure of safety by increasing traction and reducing stopping distances on icy or snow-covered roads.

Quick Can. Quiz

1. Before World War II we imported almost two-thirds of the steel we used. How much do we import today?
2. Name Canada's most easterly point.
3. This year will Canadians pay more to support federal old age pensions or family allowances?
4. How do the boundaries of Alberta and Saskatchewan differ from those of the other eight provinces?
5. What textile fabric do Canadians use most of?

ANSWER: 5. Cotton goods, about 36 yards per capita annually. 3. Tax payments will be about the same to support each of these welfare services, about \$335 million each. 1. One quarter of our steel is imported. 4. Only these two provinces do not border on salt water. 2. Cape Spear, Nfld.

Hazardous Driving Season Ahead

One of the most hazardous seasons of the year for drivers is at hand. The first heavy snowfall or the first freezing rain will catch thousands of drivers unprepared for the abrupt change from

dry pavements to the uncertainties of slippery road surfaces. Thousands of drivers licensed during previous months will have to face an entirely new and dangerous experience.

Familiar stopping distances will be stretched frighteningly, often with tragic results. Visibility will sometimes be reduced to small fractions of accustomed distances.

On December the first St. Andrew's

Day will be celebrated with Holy Communion at 11.00 a.m. A pot luck lunch will follow and later a bale of used clothing will be packed to be sent to the needy in the north. The last meeting of this year will take place on Tuesday, December 30th, which will be the annual meeting. It was decided to send Christmas cards to members and former members who are now shut-ins.

Mrs. Rodgers called on Mrs. Secker, the guest speaker, who took as her theme part of the Member's Prayer where the acceptance of the services of faithful women is asked. Women have always played an important part, especially so while Jesus lived on earth. The first faithful woman was Mary, the mother of Jesus. Then, there was the woman whose daughter was healed and Martha, who still had faith Lazarus could be raised from the dead. Martha's sister, Mary, loved to listen to the teaching of Jesus. Devotion, faith, loyalty and obedience are qualities found in these women. There was also Dorcas mentioned in the Apostles, who gave to the needy, Lydia who opened her home for service, from which submerged our deaconesses. Mary worked for the Apostles quietly. Eunice showed sacrificial qualities when she gave her son Timothy to the early church. We should compare ourselves with these faithful women and strive to deserve the same title by true devotion, loyalty and faith. Christ is our answer and only by true devotion can we hope to bring Christ to the world and the world to Christ.

Hymn 267 was sung and Mrs. Secker closed the meeting with prayer. Tea was served and a social hour spent. Mrs. G. Noble voiced a vote of thanks to Mrs. Secker, Mrs. Edgar Morrow and Mrs. J. Stiles for the programme and lunch.

On Tuesday, November 25th, Mrs. Carl Clancy, Wellman's W.I.; Mrs. Ernest Irwin, Petherick's W.I.; Mrs. Harold Phillips, Wallbridge W.I.; Mrs. Roy Bush and Mrs. Percy MacMullen, of River Valley W.I., were guests at the home of Mrs. Benson Brant, when she was hostess to the Homemakers' Group of the Mohawk Reserve.

Mr. Carl Clancy very kindly chauffeured the visiting group and they had a delightful drive through the Reserve previous to the meeting.

Mrs. Brant and her group held a brief business meeting, after which they contributed a humorous reading and a hymn, "Jesus Shall Reign," was sung in Mohawk.

Mrs. Clancy spoke on "Stepping Stones of Life." Mrs. Irwin briefly sketched the Provincial Institute work. Mrs. Bush spoke on "A woman's place in everyday life." Mrs. Phillips conducted a humorous game and Mrs. MacMullen recited a favourite Indian legend, "The Pilot of the Plains."
